# Soccer: Mistakes cost Eagles, Demon girls force tie

By Jim Horvath

It was a rough opening night for the North Olmsted boys soccer team.

The Eagles were outshot 20-5 and made key defensive errors in a 3-0 loss at Twinsburg to open the 2011 season.

"They were the better team, but but we made some mistakes that helped them on all three of their goals," said Eagles head coach Chris Marsh, whose team travels to Olmsted Falls Wednesday night to open Southwestern Conference play.

"We've got to be more stingy defensively, especially against teams of that caliber," he said. "They put a lot of pressure on us, and overall I thought we handled it well. But the mistakes were costly."

North Olmsted keeper Alec DeAnna registered 13 saves, while Evan Saunders came in and had one save.

#### Rocky River boys win opener

Matt Siwkiewicz scored the game-winner in the 60th minute as Rocky River edged Fairview on the road, 2-1, in the inaugural Rockport Cup.

The Pirate stopper was moved up front by head coach Kevin Zerbey before the midway point of the second half. Siwkiewicz, off an assist from Mark Moskwa, made the move pay dividends and nailed a shot to the far corner.

In the first half, the Warriors took a quick 1-0 lead in the second minute of the game. River responded in the 15th minute as Sutton Klodnick and Trent Newby assisted the tying goal from Connor Turk.

Pirate keeper Dominic Liva had a pair of saves as River held on down the stretch to claim the victory.

# Soccer: River girls win; Demon girls fall short

By Jim Horvath

Despite being up 1-0 early in the first half, Rocky River head coach Patrick Hopkins was hoping something would spark his Pirates on to bigger and better things.

Then it happened.

A goal from visiting Olmsted Falls not only tied the game, it ignited a fire under the Pirates. They answered quickly with a pair of goals and maintained the lead the rest of the way in a 3-1 win over the Bulldogs Monday night.

"It was as if we were waiting for somebody to do something," Hopkins said of his team's performance early on. "We weren't going to the goal. We needed to do a lot more in the attacking third and put more pressure on their keeper.

"When Falls scored, our intensity picked up. People started talking and we started to increase the pressure by going to the goal," he added.

The result was a pair of goals by Hallie McCue off assists from Grace Bennett, giving River a 3-1 lead at the half. The offensive pressure continued, with several shots off the post and one hitting the crossbar. Despite not scoring another goal, Hopkins was pleased with his team's aggressiveness.

"We regained the lead about two minutes after they tied it," Hopkins said. I think for the first time this season, we played to our potential and showed people what we can do."

Stephanie Davis scored River's first goal 10 minutes into the game off an assist from McKenna Klodnick.

With the win, the Pirates moved to 3-0-1 on the season. Last Saturday, River got its second win of the season with a 4-0 win over St. Joseph Academy. Sarah Molina, Hallie and Hannah McCue and Davis scored the Pirate goal, while Kim Leitch had six saves for her 24th career shutout.

#### Westlake girls fall short at Copley

The Indians scored the only goal of the game in the seventh minute in a 1-0 win over visiting

Westlake. The Demons outshot their hosts, 15-7, but couldn't find the back of the net, said head coach Scott Jones.

"They scored off a corner and controlled the game the rest of the way," Jones said during the return trip home. "We played pretty well, we just couldn't score.

"We had multiple opportunities to score, especially in the second half," Jones said. "We had good looks, good chances. Copley has a very nice team, though, and they're very fast. They did everything they needed to do to protect the lead and get the win."

Keeper Alexis Carpenter had four saves as the Demons fell to 1-1-1. They travel to Avon Lake Wednesday night to take on the defending Southwestern Conference champions.

#### Physical Lakewood squad blanks River boys

Host Lakewood outshot the Pirates 20-6 and dominated play in a 5-0 win at Ranger Stadium. With the loss, River fell to 1-1-1 on the season.

"They dominated possession most of the game," said head coach Kevin Zerbey. "They were bigger and more physical than we were, and that really made a difference. It was very hard to get the ball from them.

"We haven't seen a team like that in some time, and I'm not sure we will the rest of this season," he added

Dominic Liva had 10 saves for the Pirates, who travel to Vermilion Wednesday for a West Shore Conference game.

#### Demons get back on winning track

The Westlake boys moved to 2-1 on the season Saturday night with a 2-0 win over Mentor at Reed Field. Goals by Tyler Sedam and Mark Sutcliffe proved enough to defeat the visiting Cardinals. Keeper Alec Farrell had three saves for the shutout.

#### Eagles fall short against unbeaten Mayfield

North Olmsted got a goal from J.J. Ball, but it wasn't enough in a 2-1 loss to visiting Mayfield Saturday night. The Eagles fell to 1-2 on the season.

#### Rockets still seeking first win

Bay, still looking for its first goal goal of the season, traveled to Columbus Saturday night and came back with a 2-0 loss to DeSales.

The Rockets gave up a goal midway through the first half, and nearly tied it later in the half as a shot hit the crossbar. In the second half, DeSales scored its second goal off a penalty kick with 15 minutes left in the game.

## ROCKY RIVER

The Pirates had a great 2010 season, placing second in the West Shore Conference (5-1-1). Matching last year's accomplishments will not be easy with only five returning lettermen (three starters).

The Tri-captains this year are seniors Mark Moskwa (Mid), Ryan Connelly (D) and Matt Siwkiewicz (D). The other returning letter winners are seniors Connor Turk (F) and Brian Cannon (Mid).

"We have a sophomore goalkeeper who will be learning on the job, but is talented and ready to perform," said head coach Kevin Zerbey. "The captains bring experience, skill and great attitudes that will lead the younger boys to where we need to be. The boys are coachable and never give up. Their positive mental attitude as a team will carry them far."

Their goals are the same every year, to challenge for the WSC and district titles.

#### **FAIRVIEW**

The warriors are coming off their final season in the West Shore Conference, in which they had a 2010 record of 2-3-2 (9-7-2 overall). They have moved to the Patriot Athletic Conference this year and will be creating new rivalries with Brooklyn, Columbia, Lutheran West and Oberlin.

They have 11 returning lettermen, nine of them starters. The two senior captains are Chris Gillmore and James Roland. Gillmore has started all four years and is a leader on defense. Roland will be starting for his third year and is an offensive leader from his midfield/forward position.

The other returning starters are senior defenders Jordan Boepple, Rory Juhn and Dan Mylett; senior midfielders Adrian Bendo and Colin Schmitz; senior Colin Branctelli, who was hampered by injury for most of last season; junior midfielders Blake Beard and Kyle Starks; and junior forwards Mike Wilkinson and Zach Jones.

Junior Connor Gibbins will be starting in goal this season when he returns from an injury incurred during summer training.

"Since we lost just three seniors to graduation, the whole team has had one year to grow together," said head coach David Snow. "The camaraderie that has been created among these young men will help them through the tough games this season."

this year, but the soccer culture in Olmsted Falls is changing for the better with more players having club experience joining the team.

Juniors Jake Samsel and Adam Woodruff will compete for varsity time at

goalkeeper.

"We have two blue-collar hard working (goal)keepers who want nothing more than to keep the ball out of the back of the net," said head coach James Walchanowicz. "They work hard and are both very coachable."

Olmsted Falls will have freshman Christian Klein; sophomore Eric Skutt; seniors Kyle Barber, Tim McClaren and Mike Coury; and juniors Conner Bailey and Ryan Crozier on defense.

The midfield will be comprised of senior Ryan Hanks (All-SWC); juniors Brad Sommer, Jon Levin and Adam McQuillian; and sophomore Mike Payne.

The forwards will be seniors Tyler Knapp and Brian Bildstein, and junior

James Bildstein.

"With a team this thin, injuries are always a concern," said Walchanowicz. "We are trying to hang our hat on playing good defense as a team this year. If we stay consistent defensively, we should be able to give many of the teams in the SWC more than they are expecting."

#### NORTH OLMSTED

The Eagles are looking to exorcise the "Demons" of last year's loss, in penalty kicks, to Westlake in the district finals. They are also looking to improve the 2010 third place finish in the Southwestern Conference. The fact that they have lost nine players (six starters) to graduation means it will not be easy.

They have eight returning lettermen, including seniors Jacob Szeltner (D) and Matt Mahoney (D); and juniors J.J. Ball (F), Mike Beutera (Mid), M.J. Akpo-Esambe (F) and Justin Zarycki (Mid); and sophomores Stefan Spanu (Mid) and Ryan Sara (D). The tricaptains are Szeltner, Mahoney and Ball.

Incoming impact players are goalkeepers Alex DeAnna and Evan Sunders, Austen Medley (D), Steve Newport (F) and Peter Szeltner (Mid).

Seniors Nick Hohmann, Mike Behrendt and Jamol Yusunov will battle for varsity minutes, and junior Kevin Soneson (D) will see some significant playing time.

"While we are clearly in a rebuilding season and we have a significantly more difficult schedule, we will be right in the thick of things," said head coach Chris Marsh. "We look for these things to bring us to the forefront right at tournament time."

# **LUTHERAN WEST**

The Longhorns started slow in 2010, but gained momentum toward the latter half of the season, to end up

with an overall record of 8-9-2. They are also returning a team that has lost

only three players to graduation.

The four returning seniors will be looked upon to bring leadership to this

team. Ricky Downer brings shooting and strength to the team. Daniel Hessler has a great knowledge of the

game and will need to pass that knowl-

team. Devan MacDonald brings his strong physical presence and Gaven MacDonald leads from the goalkeeper position. 'We have a strong core of individu-

als in the back," said head coach Josh

edge to the vounger members of the

Hubeler. "They have been working with each other for a couple of seasons now. Come out and watch!"

This year's team goal is to win the Stripes Division of the Patriot Athletic Conference.

# Soccer: Demons get revenge; Leitch gets record

By Jim Horvath

Some lineup changes and a good dose of revenge proved to be a combination that did the trick for the Westlake girls Wednesday night.

Senior forward Lauren Wichman scored a pair of goals in the first half and the Demon defense was staunch as Westlake went to Avon Lake and dominated the Shoregals, 5-0, in high school soccer

action.

"The girls remembered last year a lot," admitted Demons head coach Scott Jones, whose team lost to the Shoregals last year. It was a loss that cost Westlake another Southwestern Conference title.

"That definitely motivated our girls," Jones said. "We made some changes in our lineup too, and those changes paid dividends tonight."

Wichman, who had been the team's checking forward, was moved all the way up for Wednesday's game. She made the move count, scoring in the second minute of play off an assist from sophomore Megan Konrad. Later in the half, she dished out the assist on a goal from fellow senior Sarah Stroh to make it 2-0, Demons.

Wichman added an unassisted goal before the half, giving Westlake a commanding 3-0 halftime advantage.

Jones also moved fullback Rachel Evans to center mid, where she worked with hand in hand with senior Serena Tabbaa to control the game. Defensively, junior Shannon Kruger moved to the sweeper position and was key in shutout win, according to Jones.

In the second half, Melanie Finucan scored the Demons' fourth goal off an assist from Konrad, then Evans topped things off thanks to an assist from Ali Sandhu. For the game, Westlake outshot their hosts, 17-4.

Sophomore keeper Alexis Carpenter was not seriously challenged, registering two saves on the night. Two of Avon Lake's four shots came at the end of the game, according to Jones.

Westlake moved to 2-1-1 overall and 2-0 in the SWC.

#### River boys get WSC road win

The Pirates, down 1-0 at the half, scored a pair of goals in a three minute span in the second half on their way to a 3-1 win at Vermilion.

Midway through the second 40 minutes, sophomore Trent Newby took a pass from senior Mark Moskwa on the right side of the box and hipped in a shot to the far side to tie the game at 1-1. Three minutes later, a crossing pass from senior Matt Siwkiewicz found senior Connor Turk, who beat a Sailor defender and put the ball in the back of the net.

River capped things off late in the game as Moskwa scored off his corner kick. For the game, the Pirates outshot Vermilion, 26-3.

The Pirates are now 2-1-1 overall and 1-0 in the West Shore Conference.

#### Pirate onslaught too much for Vermilion

The River girls opened WSC play in convincing fashion, building on a 2-0 halftime lead and coming away with a 5-0 demolition of visiting Vermilion.

Senior Sarah Molina got things started with a first-half goal, thanks to an assist from sophomore McKenna Klodnick. Senior Megan Killeen made it 2-0 off an assist from Molina to account for the first -half scoring.

In the second 40 minutes, senior Stephanie Davis found classmate Mallory Keener for the first River score of the second half, making it 3-0. Davis scored the fourth goal on an assist from senior Erin Kehn, and junior Megan Ittu topped things off with an unassisted goal.

Senior keeper Kim Leitch recorded the shutout. A review of team records revealed that it was the 27th shutout of her career, giving her the school record. She tied her sister, Molly, last Saturday in the 4-0 shutout win over St. Joseph Academy.

Rocky river is now 4-0-1 overall and 1-0 in the WSC

#### Hatfield resting comfortably after surgery

Longtime North Olmsted boys soccer coach Tom Hatfield, now an assistant coach with the Eagles, was resting comfortably Wednesday night following hip replacement surgery. Reports said he was pleased when informed of the team's 2-1 win over Brecksville later that night.

# Soccer: Eaton's goal sparks first win for Rockets

By Jim Horvath

When Chris Eaton's 35-yard free kick sailed into the back of the net, it probably felt like the weight of the world had been lifted off the collective shoulders of the Bay boys soccer team.

In the 338th minute of the season, the Rockets' scoring drought came to an end.

After a tough 1-0 loss to Cardinal Mooney Saturday night, Bay took out their frustrations on visiting Vermilion Wednesday night. The Rockets erupted for a 6-0 win at Memorial

Stadium for their first win of the young season.

"I thought we had played well Saturday night," said Bay head coach Bob Dougherty, whose team will continue its tough early-season schedule Saturday night at state-ranked Revere.

"In that game, we outshot them 11-3, hit the post twice and hit the crossbar twice," Dougherty said. "But I told the kids they couldn't make up for those games, that we could only look ahead and take care of tonight. We played very well and finally broke through for the win."

Eaton, a junior back, uncorked his big shot 18 minutes into the contest for a 1-0 Bay lead. Goals by Jack Creech, Jack Barnes and Matt Toth followed to give the Rockets a 4-0 halftime lead. Hunter Frye and Creech scored second -half goals for good measure, while keeper Kory Sayir registered four saves in the shutout victory.

#### Cannon's late goal give Pirates third win

With about eight minutes remaining in the game, Brian Cannon scored a goal to give the Rocky River boys a hard-fought 1-0 win over visiting Midview.

"There was a lot of end-to-end play between the boxes," said Pirates head coach Kevin Zerbey, whose team is now 3-1-1 overall and 2-0 in the West Shore Conference.

"Late in the second half, we got the ball to the middle, but it was deflected and knocked around in front of the Midview goal," Zerbey said. "Brian was in the right place at the right time, and he slammed it in."

The shutout win was also the first for the Pirates' sophomore keeper, Dominic Liva.

#### Westlake boys win out over weather, Braves

The Demons broke out for three second-half goals in winning their first Southwestern Conference game of the season, a 3-0 decision over Berea.

In rainy, sloppy conditions, Westlake broke the ice when freshman midfielder Brian Sutcliffe found the back of the net. Senior defender Luke Blazevic scored the next goal, while senior forward Andy Haders scored the third.

Senior keeper Alec Ferrell came away with the shutout for the Demons, who moved to 3-2-1 overall and 1-1 in the SWC. They'll travel to

Strongsville Saturday night for a non-conference game with a Mustangs, who lost to St. Edward, 3-1, Wednesday night.

#### Bay girls dominate in win over Sailors

Alex Brown and Emily White each scored a pair of goals as the Rockets toppled Vermilion, 7-0, in a WSC girls game out west.

The Rockets, now 3-1-1 overall and 1-0 in the league, scored two goals in the first four minutes. They were able to empty their bench beginning in the first half, according to head coach Jack Griffiths. In all, 22 players saw time for the Rockets.

Kelly McBride, Eva Rezek and Anna irvine also scored goals for Bay.

#### Pirate girls remain undefeated

Rocky River made a 2-0 halftime lead stand out at Midview, with goals coming from Stephanie Davis and Grace Bennett. It was Bennett's first goal of the season.

"We had a lot of opportunities to score right away," said River head coach Patrick Hopkins, whose team moved to 6-0-1 on the season. "But they had a pretty good keeper. We'd get through the defense and went after her with good shots, but she was up to the task."

The Pirates, now 2-0 in the WSC, travel to Oregon Clay Saturday for a 5 p.m. game.

# Bay earns No. 1 seed for boys' soccer D-II District in Rocky River

By Norm Weber

Student/Athlete-Cleveland Editor

normweber@studentathletecleveland.com

ROCKY RIVER --- Bay High School was voted No. 1 seed for the Rocky River Division II Boys' Soccer District, as voted by coaches here at the high school here Sunday.

No one in this district has been tearing up the pitches in terms of won-loss records. Only one (Fairview) of the 13 teams comes into the week with a winning record.

Watch video interview of Bay Coach Bob Dougherty, whose team is the D-II boys' soccer No. 1 seed:

https://sites.google.com/a/studentathletecleveland.com/student-athletecleveland/doughertyinterviewseedings

Bay played a brutal schedule early, facing four Top 10 teams (stated ranked) the first 10 days of the season. The Rockets come into the week at 5-7-1.

Padua at 6-6-2 has played a strong schedule including nationally ranked teams. The Bruins played close matches against both Bay and Walsh Jesuit.

Thus, the Bruins were tabbed as the No. 2 seed.

Fairview (8-5-1) was competitive in every match but one this season and has not been shut out all season long. By just a hair, Fairview earned the No. 3 seed over West Shore Conference tenant Rocky River.

The Pirates (5-6-2) then became a unanimous choice for No. 4 seed in their own district. River, at 5-6-2 has lost to state-ranked Elyria Catholic in a league match in the always tough WSC. River is 3-1-2 against D-II teams only.

Fairview, Firelands and Padua have winning records against D-II schools only

Vermilion (6-8) earned the No. 5 seed, Benedictine (4-9-1) No. 6, Brooklyn (5-8-2) No. 7, Firelands (4-7-3) No. 8, Holy Name No. 9, John Hay No. 10, Brookside No. 11, Keystone 12, and Max Hayes 13.

Keystone and Max Hayes coaches did not show up for the meeting so they wound up getting the last two seeds via alphabetical order.

Holy Name, which is 3-12, was down to 11 Student/Athletes at one point this season and has been adding new players.

John Hay is back at having a team for the first time this season since the school was reconstructed a few years ago. John Hay does not have a home field.

In first-round matches next Monday Bennies plays Vermilion, Firelands sees Holy Name, Brooklyn faces John Hay, Fairview meets Brookside, and Keystone hosts Max Hayes since the latter does not have a home pitch.

Bay, River and Padua have byes in the first round.

# St. Ignatius victorious in overtime in N.Y.

 $From\, staff reports$ 

Extra points usually are the most routine plays in football. The kicking, the wind and St. Ignatius' 21-20 overtime victory over St. Francis were anything but routine Saturday night on the far eastern shore of Lake Erie in Athol Springs, N.Y. St. Francis scored first in overtime

on a 4-yard touchdown pass but missed the extra point in a stiff wind. St. Ignatius followed with a 3-yard

touchdown run by Tim McVey, and senior Tim Shenk made his third extra point to send the Wildcats (7-1) home a winner. St. Ignatius is ranked fourth in The Plain Dealer Top 25 and 10th in the Ohio Division I poll. St. Francis (4-3) led at the half,

touchdown runs by Akeel Lynch, a Boston College recruit. St. Ignatius quarterback Eric Williams threw two third-quarter touchdown passes to tie it, 4 yards to Connor Hennessy and 3 yards to Jake

Stanley's 17-vard pass to Anthony Carter at the 1-yard line set up the winning play. On the next play, Stanley attempted to spike the ball as time expired. However, Rhodes jumped offsides, and a quarter cannot end on a defensive penalty, so John Marshall ran what proved to be the winning play with no time on the clock.

John Marshall (5-3, 4-2 Senate Athletic League) has won three straight. Deyjon Wilson scored on a 46-yard run, and Dominique Dickerson's 90 yards rushing led the Lawyers. Rhodes' LaKeith Walls 22-yard

**Boys Soccer** 

The Bay and Rocky River boys soccer teams battled to a draw on Oct. 12. The tie gave Bay a record of 5-7-3 with one game left in the regular season, while it gave Rocky River a record of 6-6-3 with one game left.

BAY heads into the postseason with a first-round bye and will play the winner of the game between Keystone and Max S. Haves high schools on its home field on Thursday.

"Max Hayes won their conference (Senate League), but they played a very light schedule to this point," said Bay head coach Bobby Dougherty. "Most of the teams in the Senate (League) typically have very athletic kids that aren't playing football. Both rosters (Hayes and Keystone) are pretty thin for total numbers in their program.

"Obviously, Max Hayes is the team that has learned how to win," Dougherty added. "The expectation is that they will probably come through, and that's who we'd probably see."

The Rockets have had some trouble finding the back of the net this season, with their total goals down from 65 of last year to the mid-20s this year.

"We've had lots of opportunities; we just haven't finished well," Dougherty said. "We don't have that one player that everyone's afraid of (this year)."

The Rockets have welcomed back their best offensive player and captain, Jack Creech, from an injury to his skull and nose that requires him to wear a face mask during games.

"Jack is probably our best one-on-one player that can finish," Dougherty said. "Come the playoffs, no one's really shockingly better than us. Our record isn't brilliant by any stretch, but no one has run us out of the park."

ROCKY RIVER also has a first-round bye in the Division II tournament and will play the winner of the game between Firelands and Holy Name high schools. The game will be played on Thursday at Rocky River High School.

"I know both teams have struggled this year," said Pirates head coach Kevin Zerbey. "We played Holy Name (in the regular season) and beat them 8-0. I don't know who will win that game. I don't know what to expect from Firelands, but I like our chances against either one of the teams.

"I feel that when we play the best that we can, we match up well with anybody," Zerbey added. "I mean anybody in the district ... including Bay, Padua or Fairview."

The Pirates are a very young team with only five seniors, including Mark Moskwa, Matt Siwkiewicz, Brian Cannon, Connor Turk and Ryan Connelly.

"Because we're young and somewhat inexperienced, it's been a struggle to play at the top level," Zerbey said. "We've been able to give four freshmen some varsity time and four to six sophomores are on the field at any given time. It's good to get them some experience this year."

FAIRVIEW plays in the first round of the Division II district tournament against Brookside, and, if they win, will play against the winner of the game between Vermilion and Benedictine on Thursday (time and venue TBA).

#### **DIVISION I ROCKY RIVER DISTRICT**

If WESTLAKE, which beat Bay, 3-0, for the Dover Cup on Saturday, beats North Ridgeville in the first round of the Division I district tournament, it will face Avon on Thursday at Avon High School (time TBA). NORTH OLM-STED needs to take care of Berea to move on to play Avon Lake on Thursday at Avon Lake (time TBA). OLMSTED FALLS needs to beat Midview to face Strongsville on Thursday (time TBA).

#### **DIVISION III ROCKY RIVER DISTRICT**

LUTHERAN WEST faces Martin Luther King Jr. (Cleveland) in the first round. If it is victorious, it will play Cuyahoga Heights (days and times TBA).

# Ignatius seniors urge team to aim for par in title chase

How do you help diffuse the anxiety caused by trying to win a state golf championship?

Patience.

That is the watchword St. Ignatius seniors Beau Titsworth and Matt Gerard have preached to their teammates this week as they prepared to play in the 36-hole Division I state golf tournament that gets under way today on the Scarlet Course in Co-

Titsworth and Gerard have been down this road before. No one in the field of 12 teams and 12 individuals has had as much success in leading their teams over the last three seasons. With Titsworth finishing second with rounds of 75-72 and Gerard finishing seventh with scores of 79-74 last year, the Wildcats were second to Columbus St. Charles. They finished third in 2009 and

"It's important to remember that on the Scarlet Course, par is a great score and a bogey is not a bad score," said Titsworth, an Oklahoma recruit. "Everyone wants to hit that hero shot when it might not be necessary. It is very easy to hit shots that could lead to a double [bogey], triple or

Gerard, who will attend Xavier, said the size of the Scarlet greens dictates the style of play. "I think I figured it out last

vear," he said. "The greens are so big that you just want to hit the fairway and then aim for the center of the green. A two-putt par is a great score and maybe you'll be able to get one of those first putts to fall for birdie. But as long as you have a legitimate chance at par, you'll do fine."

Practice canceled: Because of extremely wet conditions, the practice rounds for both boys and girls were canceled on Thursday.

Dog-gone good: The Stow team of sophomore Ian Holt and seniors Brandon Nixon, Mac De-Checho, Ryan Foster and Eric Jovanovich, who won the school's first district championship last week, were given a rousing sendoff Thursday.

The Bulldogs, looking to improve on their seventh-place finish of last year, were given a police escort out of town. Mayor Karen Fritschel and Superintendent Russ Jones joined most of the student body and the families of team members. This is the sec ond straight state tournament for Holt, Nixon, DeCheco and Jovanovich, who won the district title with the third-best district score in the state at 297.

Just a number: For the first time in school history, the girls from Notre Dame-Cathedral Latin will compete in the Division I tournament. The Lions were Division II state champs in 2009 and had top-5 finishes in 2008 and 2010. Senior Tali Trovato and junior Emily Jereb were part of the 2009 and 2010 teams and junior Aubry Hounshell was on board last year.

Turning the corner: After dropping two of three matches at Kenston, Jim BeHarry made some changes to his Padua lineup that are apparantly working.

The Bruins, winners of 11 of their final 12 regular-season matches and North Coast League Blue Division co-champs with Walsh Jesuit, are finding out the specialization route is the best

route for them. "We finally have an identity," said BeHarry, "and certain players now know their roles. We had a lot of bodies on the bench who

are good at various aspects of the game but we weren't using them properly." Libero Jenna Veres has been stellar on the defensive end, Marissa Jay and Katie Stansberry

have been solid in the middle and Rachel Nolan has really stepped up on defense and serv-"We're where we want to be,"

added the first-year coach.

Matt Gerard, a St. Ignatius senior, said he hopes to take advantage of the big greens at the Scarlet Course in Columbus during the state high school tournament, which starts today. He's shown here at the district tournament Oct. 13 at Pine Hills Golf Club in Hinckley.

Getting closer: St. Joseph Academy's 16-6 regular season mark is the best under eighthyear coach Mike Mileti but it could have even been better.

The Jaguars were leading Magnificat in the fifth set, 10-5, before losing the match.

**Double the pleasure:** There's something about beating your archrival, but handing them their first loss of the season ... well, that's kind of special too.

That's what Hudson did in a 4-3 overtime victory over Western Reserve Academy, giving the Pioneers their first setback in 17 matches.

And it couldn't happen at a better time since the postseason tournament started this week.

# Divisions to stay unchanged for now

sing the competitive imbalance between private and public schools in Ohio.

Thursday announced it's unlikely the subject will be included in the set of referendum items all schools vote on each May. The board of directors accepted a recommendation from the competitive balance subcommittee that no changes be made to the current system used to assign schools to divisions for postseason tournaments.

They made the decision based on data received from a survey with principals this fall.

Last May, principals narrowly defeated a referendum proposal that would have created a new system for determining divisions. The formula took into account enrollment, boundary, socioec onomics with free lunches and tradition. It failed by a vote of 332-303.

The competitive balance subcommittee will reconvene in April.

Tech's leading tackler the past receives a \$1.5 million buyout two seasons, will miss the resustaining a foot injury in the Boston College.

The Plain Dealer | Breaking news: cleveland.com

Musketeer to sit: Senior point guard Tu Holloway will sit out Xavier's season opener for a secondary violation of NCAA rules limiting summer league games. He was the Atlantic 10's player of the year in 2010-11.

Players plead: Two Montana football players have denied charges filed after Missoula police used a stun gun to subdue them at a weekend party. Cornerback Trumaine Johnson and quarterback Gerald Kemp were arrested after police were called about a noisy party at Johnson's apartment early Sunday morning, hours after the team returned from a game in Flagstaff, Ariz. The players pleaded not guilty to obstructing a peace officer, resisting arrest and disorderly conduct.

# Creech's last-second goal in OT lifts Bay past River

By Jim Horvath

With :36.6 seconds left in regulation, Bay thought it had the game-winning goal against longtime rival Rocky River. An offsides call, however, negated a Chris Eaton header and sent the game into overtime.

The Rockets made sure the next time, even though there was little time to spare.

As the clock ticked down the final 10 seconds of the first overtime period, Jack Creech scored off a corner kick from Cole Jacobs with one second remaining. That gave the Rockets a 3-2 win over the Pirates in a Division II district final Monday night at Memorial Stadium.

Bay, now 7-8-2, will host Padua Thursday night for the right to advance to regional play. The Bruins advanced Monday with a 2-1 win over Fairview.

"We wanted a left-footed swinger. Matt Toth went out there, but he's a right-footed player," said Rockets head coach Bob Dougherty. "We wanted to serve it in, that's why Cole was sprinting in at that point.

"When Cole hits the ball with his left foot, it's going to bend in," Dougherty explained. "So we're screaming for him to go in and serve it. All we said was put in on the goal, put it on the keeper's hands.

"It was the same thing on Eaton's goal that was called for an offsides. Put the ball on the keeper's hands, and we'll crash the net," he added.

And crash the net they did. At the end of regulation, the Rockets had a free kick to the

left of the box from about 20 yards out. Three

Bay players were there to meet the ball, with Eaton heading it in. But after a lengthy discussion, the offsides call was upheld, sending the game into extra time.

Both teams had long shots in the 15-minute overtime, with the Rockets getting the final chance as the clock hit 10 seconds. Jacobs quickly took Toth's spot in the Northeast corner and booted the ball into the crease as time ticked away.

The ball met Creech's forehead and zipped past River keeper Dominic Liva with one tick left.

It was a tough loss for the Pirates, who took the lead not once, but twice in the game. Sophomore forward Spencer Klodnick gave the Pirates a 1-0 lead with just 7:18 gone in the first half on a 15-yard shot. That lead held at the half and 11:32 into the second.

That's when the Rockets, who had come out of the break with a new-found intensity, knotted the score on a goal by Toth with 28:28 remaining in regulation. River, however, eventually answered back on a scorcher off the foot of senior Matt Siwkiewicz to regain the lead with 14:34 left.

The Pirates seemed to have the momentum in their favor when Bay was awarded a free kick in the 73rd minute. With Toth out due to a yellow card, sophomore Domenic Ruma teed it up from about 55 yards out and drilled a line drive toward Liva and the River goal.

The ball eluded everybody, skipped off the turf and hit the back of the net. With 7:24 left, the score was tied at 2-2, setting up the game's wild finish.

"We wanted to get the ball to the turf because we knew it was going to skip," Dougherty said. "It's almost as if the turf is wet. The ball is going to pick up speed after it hits. Their keeper held on to everything tonight, but we wanted to keep skipping it in. He's going to have to give up a rebound.

"It was a beautiful kick. It's exactly what you work on in training. You hope it actually applies in the game, and tonight it did," he added.

All River head coach Kevin Zerbey could do was shake his head when recounting the game's final 16 minutes.

"We got lucky there," Zerbey said about the offsides call. "Then on that last goal, I'm yelling at the clock to tick down. I didn't want them to take that corner kick because I knew how dangerous it was.

"Before the game, I told our guys I wanted them to play their best game of the season," Zerbey said. "I think they did. But there was a period in the first half after we scored the goal where it looked like we made some kind of decision to stay back and play defense.

"On the sidelines, we were saying 'this isn't going to work.' That's way to long. Trying to ride out a 1-0 lead with 60 minutes left against Bay - any Bay team - is just too tough. They were dangerous on dead balls like they always are.

"When you play Bay, you prepare for that or you lose. We did prepare, but tonight they were better at that than we were. They went a little more aggressively to the ball than we did on those dead balls and free kicks, so they're playing Thursday and we're not," he added.
