

HB 19 COMPLIANCE: 7th Grade Health

Violence in dating is discussed in two of the four units covered in 7th grade. It is discussed as a correlation to and result of Substance Use and Abuse as well as the relationship to stress during the Disease unit. Resources for these units ***pertaining to violence in dating*** are listed below, however current, situational information is used as well during presentations and discussions.

UNIT	TOPIC	RESOURCES	TIMEFRAME
Substance Use and Abuse	<ul style="list-style-type: none">• Alcohol and drug use• Internet Safety• Stranger Safety• Healthy Choices	<ul style="list-style-type: none">• General information• DARE Officer• Guidance Counselor• Text Lesson: Ch. 7	5/12 days
Disease	<ul style="list-style-type: none">• Physical/Mental Stressors• Coping Strategies• Physical/Mental Risk Factors and Effects	<ul style="list-style-type: none">• Stress/Risks Survey-AHA• Text Lessons: Ch. 6, 7	4/12 days

**Students enter the 7th grade having completed a Health Unit in the 6th grade that focuses on communication and includes bullying and sexual harassment .

*** In addition, during 7th grade CHALLENGE DAYS are days devoted to helping students to NOTICE, CHOOSE, and ACT when they feel/see bullying. This is a community/school partnership and is directed by an outside agency. This is a 1 day session plus grade level activities throughout the year.
