

## Goldwood Primary School

---

Kindergarten Registration and Screening for the 2010-2011 school year will take place on April 27<sup>th</sup>- 29<sup>th</sup> at Goldwood Primary School. You and your child will enter through the main doors of Goldwood Primary School. Greeters will welcome you, sign you in and direct you to the media center while your child visits the various screening activities.

Your child will:

- ✚ be guided by parent volunteers as well as Goldwood staff members. This will ensure a relaxed and non-threatening atmosphere.
- ✚ participate in a variety of high interest readiness screening activities.
- ✚ earn a star for each station visited. Once your child has four stars on his/her nametag, screening activities are complete.

The **only** station you will accompany your child to is the vision station in order to answer questions from the school nurse.

At the end of the program this evening, you are invited to the gym to register for your child's screening appointment. Volunteers will schedule your appointment for screening. You will also be given a kindergarten packet of various forms to complete, one being a form requesting morning or afternoon parent preference. A team composed of the principal, guidance counselor, and grade coordinator will carefully consider the needs of your child and determine placement in an optimal learning environment. A component of the placement process includes parent preference in regard to the morning or afternoon session. Morning or afternoon notification will be mailed in June to allow ample time to arrange for daycare needs if necessary.

***Your child will be assigned to a class only upon the completion and return of all the above documents/forms.***

If you prefer **not** to make your appointment tonight, you may call Goldwood Primary School at **440-356-6730** Friday, March 5<sup>th</sup> or Monday, March 8<sup>th</sup> between 9:15 AM and noon. Volunteers will schedule your appointment at that time. Parents making their appointment by phone should plan to stop in the school to pick up a registration packet.
