Dear Friend of Rocky River City Schools,

It is time once again for our annual membership drive. Your support is very important to the success of students involved in co-curricular activities at Rocky River's Middle School and High School. Your donation will help provide many opportunities for students involved in academic and peer organizations, sports, music, and theater.

Rocky River Student Activities Boosters is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Each membership level indicates the amount that is tax deductible. All donations will be acknowledged with a letter that may be used for tax purposes. This year we are asking donors whose companies have a Matching Gift Program to take advantage of this opportunity to provide the Rocky River Student Activities Boosters with additional funds.

Last year, the Boosters raised \$70,000 for student activities through membership dues, program sales, concession sales, advertisements and special events. This annual donation to the school board supplements the student activities budget at the High School and entirely funds all Middle School activities.

A volunteer board manages this fundraising effort with the help of many active members. Their efforts, along with your generous contribution, continue to enrich the educational lives of our students as well as benefit our community.

The following individuals are just a few of the many dedicated volunteers who help make our Student Activities Boosters program in Rocky River such a success.
