Keep Saving!!!

Thanks to you, our fall Box Tops collection raised more than \$1000. The next drawing for a Mitchell's ice cream will be in January. Please keep clipping Box Tops and sending them to school!

During January, Giant Eagle is offering shoppers who buy any ten Box Tops products will get fifty bonus Box Tops.

Don't forget to dress for the weather. We will be going outside for recess unless it is less than 20 degrees outside.

**The total cubic yards of landfill space saved = 71**

**The amount of electricity savings vs virgin (wood) fiber = 96,643 kwh. That's enough energy to power 48 homes for a month!**

**The reduction in overall emission of air pollution is the equivalent to taking 52 cars off the road for a day.**

**Our Paper Recycling Drive held on Nov. 15th & 16th generated 3,386 lbs of paper. A tremendous effort for a 2 day drive!**

**A big THANK YOU to all the parent volunteers who helped us each morning! It was greatly appreciated.**

**We look forward to holding another drive in April to celebrate Earth Day. More info to come in the new year.**

**“Kids are indeed heroes and each one has the power to change the world. When children see others taking action it helps them know that they can join in & make a change. If we teach kids to follow their passion at an early age, this will instinctively follow them throughout their entire lives.” for more info, check out: [www.kidsareheroes.org](http://www.kidsareheroes.org)**
