Dear Parent/Guardian:

The Ohio Department of Health last year revised the immunization requirements. All students entering 7th grade are required to have one dose of Meningococcal vaccine and one dose of Tdap (Tetanus, Diphtheria and Pertussis) prior to the start of school.

You may obtain the Meningococcal and the Tdap vaccines from your private physician or other community providers.

These vaccines are also available from the Cuyahoga County Board of Health. Please call 216-201-2041 for an immunization appointment or additional information.

Verification of the immunizations must be sent to school using this form or other appropriate documentation (i.e. copy of immunization record) before the start of school in August.

CERTIFICATION OF IMMUNIZATIONS

Name of Student (please print)

Date of Birth

This is to certify that the above named student received _____ on _____ and
_____ on _____.

Signature of Healthcare Provider

Address

Phone Number
