Dear Parent/Guardian:

The Ohio Department of Health has revised the immunization requirements for the 2016-2017 school year and each year thereafter. All students entering 7<sup>th</sup> grade are required to have one dose of Meningococcal vaccine and one dose of Tdap (Tetanus, Diphtheria and Pertussis) prior to the start of school.

You may obtain the Meningococcal and the Tdap vaccines from your private physician or other community providers.

These vaccines are also available from the Cuyahoga County Board of Health. Please call 216-201-2041 for an immunization appointment or additional information.

**Verification of the immunizations must be sent to school using this form or other appropriate documentation (i.e. copy of immunization record) before the start of school in August.**

## CERTIFICATION OF IMMUNIZATIONS

---

Name of Student (please print)

Date of Birth
