

# ANNUAL FEES FOR ALL STUDENTS - \$46.00

For materials, basic supplies, consumables

Please note: The fees must be collected from each student and are not optional. When checks are written the first day of school, please include student's full name and room number on the check.

Waiver of fees: School fees may be waived for students in need of financial assistance. Generally, the standard used for waiver is eligibility for free or reduced school milk.

Applications for this eligibility are sent home at the beginning of the year. An additional form may be

requested at the office.

All students should also have the following:

## Tennis Shoes

Students have time scheduled for fitness instruction weekly. For safety reasons, we would like the children to wear tennis shoes on fitness day. Miss Leonard asks that the girls wear shorts or slacks on fitness education day. You may wish for your child to keep a pair of tennis shoes at school for fitness day and to change into during "boot weather".

## Book Bags

To encourage children to safely carry home library books, school communications, as well as their own papers, art projects, etc., they should have a backpack or book bag (plastic, cloth, etc.). It should be LARGE, have his/her name on it, and be carried daily. Experience has taught us that those with large envelope closings with Velcro, snaps or zipper closures are most satisfactory.

## Marking Clothing

It is important for you to mark clothing likely to be mixed up, such as raincoats, sweaters, boots, mittens, and caps. A permanent black marker is good to use. Often there are only slight differences, if any, and identification will save time, trouble, and even tears.

Please ask your child about his/her supplies. They will need to be replenished during the year.
