Todd Murphy, Principal

Dear Families,

We are pleased to announce that the Rocky River City School District has been awarded Title I funds this year. Students who qualify at Kensington will receive supplemental reading and math intervention services. If your child is selected to participate in this program, you will be given notification soon.

The purpose of this letter is to inform all parents/guardians of students attending our Title I building that you have the right to know about the teaching qualifications of your child's classroom teacher. The federal law, *No Child Left Behind*, requires school districts receiving Title I funds to inform parents of this right to inquire about the qualifications of their child's classroom teacher. These qualifications include:

- Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child's instruction – *please be assured that all Kensington staff members have met/exceeded the Ohio teacher licensing criteria.*
- Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements – *no Kensington staff member is teaching under these circumstances.*
- The undergraduate degree major of the teacher and any other graduate degree or certification held by the teacher and the field of discipline of certification or degree – *all of our teachers are highly qualified to teach their 3-5 assignments.*
- Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications – *none of the children in the Title I program will be given instruction by paraprofessionals unless they also have an I.E.P. with those specifications.*

If you would like to inquire about any of the noted information, please call me at the number listed on this letterhead.

Sincerely,

Mr. Todd Murphy
