Subject: RE: PO#58519 Boiler Specialists @ \$5,311.42

This was an emergency call-in. Repairs were made; but subsequently they discovered more parts were needed, requiring a bit of a delay for the complete repair. Boiler Specialists must have anticipated the total cost in advance while I figured there would be a significant add-on for the additional parts. Thus, a delay in getting the PO out. Either way, the PO would have to follow the invoice, because the first part of the repair had an unknown cost in advance.

Hi, Rich and Laurel,
Greg asked me to contact you regarding the above referenced purchase order. It was dated 03/25/10. The attached invoice to be paid is dated 03/15/10. As the invoice date precedes the purchase order date, we need an explanation for this circumstance. This payment requires BOE approval as it exceeds the \$3,000.00 limit. If you are able to get the explanation to us ASAP (early Friday morning at the latest), we can have it added to the board agenda for BOE approval next week. Otherwise, it will not be paid until after the May BOE meeting.
Thank you!
Janice
