## General Information

Welcome Students and Parents to Beach School!

We are delighted to begin the new school year. We look forward to meeting all of our new students and seeing those returning to us. A Virtual Orientation with important information will be sent to you prior to school beginning on Wednesday, August 22nd. On August 21st, families that attended the program last year will have an opportunity to drop off their school supplies and new families will have a chance to meet their child's teacher along with dropping off their supplies as well.

Beach School has grown and we have added a new section of preschool. We are pleased to welcome and announce a few new faces at Beach School.

- Miss Kora Hammond, Preschool Teacher in the Orange Room
- Miss Emily Cavanaugh, Speech and Language Pathologist
- Ms. Kaley Kramer, Aide
- Mr. Dererk Braun, Aide
- Ms. Norah Sullivan, Aide

If you have not yet completed your [Final Forms](#) online, please complete prior to the first day of school. Please also ensure your child's physical exam form is up to date. We need a current one on file each year. This can be found in our [Student and Parent Handbook](#).

Our pick-up and drop-off map is to the right. Children will exit/enter the car on the passenger side for safety measures. Please place your child's car seat behind the passenger seat and remain in your car. Our staff will assist your child out of the car and safely into the building.

We look forward to a positive and successful year ahead!

Respectfully,

Mrs. Tara Zbin

Beach Preschool Administrator/Pupil Services Supervisor

## Search for Children With Disabilities Underway

In accordance with the Individuals with Disabilities Education Improvement Act (IDEA) of 2004, The Rocky River City School District is participating in Child Find efforts to locate, evaluate, and identify all children from birth through 21 years of age with disabilities, regardless of their situations, who have significant, individual needs and require intensive interventions through special education and related services.

A disability, in this instance, means such conditions as autism, deaf/blindness, multiple disabilities, deafness/hearing impairment, orthopedic impairment, visual impairment/blindness, specific learning disabilities, preschoolers with a disability, emotional disturbance, cognitive disabilities, speech and language impairments, orthopedic and other health impairments or traumatic brain injury.

Although many school aged disabled children are identified and currently being served by the Rocky River City School District, preschool children ages 3-5, with disabilities may be unidentified because parents may not be aware that programs and services are now available through the public school. Community members can help us with this important effort.

If you know of a child in our district with a disability that is not presently attending school or receiving services from another agency, please contact Jennifer Norman, Executive Director of Pupil Services at 440.356.6006.

In addition and in accordance with Section 504 of the Rehabilitation Act of 1973 and the American's with Disabilities Act Amendment of 2008, Rocky River City School District is participating in Child Find efforts to locate, evaluate and identify all children with a disability. In this instance, a student with a disability who has a mental or physical impairment that substantially limits a major life activity who may because of disability, needs or is believed to need special education, related services or aids or accommodations/modifications.

If a parent or guardian suspects that a child may be eligible under this federal definition, please contact Jennifer Norman, District Compliance Officer.
