### Program Guidelines

1. To earn the Career Pathways Certificate, students must complete a minimum of 24 credit hours of coursework, either taken for credit or audited.
2. Students are responsible for adhering to all program, college, and university requirements and policies as stated in the Clark Inclusive Scholars Program Handbook and BGSU Undergraduate Catalog.
3. Courses of study and work-based learning experiences are individually determined in relation to student goals.
4. Students should consult regularly with their academic advisor to ensure they are receiving the accommodations and supports necessary for success in the program.
5. Upon successful completion of required coursework, students will be awarded an undergraduate BGSU certificate.
