

Strategies for Reading

P	PREDICT	Try to figure out what might happen next. Then see if you were right or wrong.
E	EVALUATE	Form opinions about what you read during and after reading. Develop your own ideas about people, places, and events in the story.
V	VISUALIZE	Make pictures in your head about what is happening to help you understand.
C	CONNECT	Connect personally with what you are reading. Think of similarities between what is being described and what you have read, heard about or experienced.
C	CLARIFY	Make clear or summarize what you have just read to be sure that you understand it.
?	QUESTION	Ask questions about what you are reading. Why? What just happened? This makes you want to find out.
