

FRIDGE FACTS

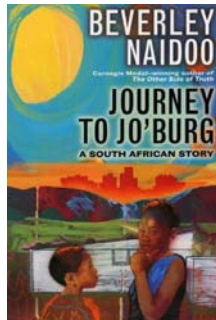

The Room 205 Newsletter Edition #39

Mrs. Wilhelmy's Class

June 4 - 6, 2012

What is going on in:

Reading? We are moving very fast through **Africa** in order to finish just in time or the end of the year. Our book is called Journey to Jo'Burg by Beverley Naidoo.

Math? We took our Unit 10 test this week and will spend the remainder of our math time using our third grade skills with a variety of activities in math class.

Science? Our **Forces and Motion unit** is complete although we will continue to apply the concepts of force, motion, position, and speed, etc.. in activities and demonstrations.

What science do you see, and who are these players?

Social Studies? We will be looking at some more **changes Rocky River has gone through over its history.**

Where are these two bridges?
Hint: One is gone now.

The photo on the left shows the land where these condominiums stand today.

Foundations?

For the remainder of the year we will be reviewing Foundations concepts and practicing cursive handwriting. There will be no more tests or homework assignments for Foundations for the year.

Other important information?

- ❖ Photos from The 205 Auction will be available on our website next week.

Check out what amazing things the kids created!

Pirate Daze will take place on Wednesday, June 6th. We will be walking to Elmwood Park (9:30am) for some games and fun and returning to eat lunch in our classroom around 12:30 or so. Please be sure to dress for the weather, wear sunscreen, and sneakers. A water bottle (disposable) with your name clearly marked would be a good idea too. Thank you to all the parents who are putting so much work into planning this event.

- ❖ Congratulations, **IS**, on earning your Yellow Belt in Karate!
- ❖ Thank you **DB, LP, and CW** on the extra work you put in at Burney Bank in preparation for the Auction.
