

FRIDGE FACTS

The Room 205 Newsletter Edition #39
Mrs. Wilhelmy's Class
June 3-7, 2013

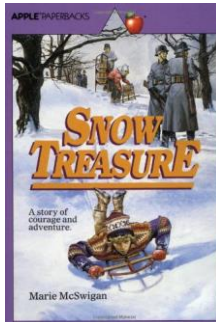

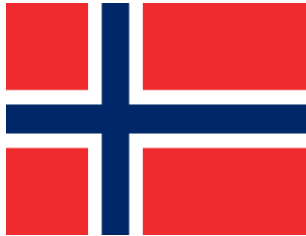

What is going on in:

Reading

Thank you, parents for a beautiful Asian Celebration this week. We all loved the sushi, origami, story, and beautiful koi fish craft. It was, indeed Children's Day here in Room 205.

Mrs. Cipriani was kind enough to provide a copy of the **summer reading list** that your kids will be working with this summer. Please guide your children as they read at least two books from the suggested author lists (others would be accepted), and record their reading on the list provided. The list will also be available online.

We are reading one final novel this year. There will be no LAP to go with it, and it is possible that we may not finish. I am planning to create a blog or survey based on *Snow Treasure*, by Marie McSwigan over the summer. The kids may respond, or not. It would be a way for us to keep in touch, talk about books, and the kids could get one summer reading book completed! A movie was made of this story in 1968! Movie night!!!

Math : In math this week we will be continuing to review so that we wrap up the school year with a reminder of all that we have learned. I think many will be surprised and proud of how far we have come

Science Matter matters! We will be learning about the states of matter and finding examples of each this week.

Social Studies. Rocky River! We are learning more about the history of Rocky River this week. We read about the history of Bradstreet's Landing in class. I am offering 500BCs to students who travel to this Rocky River Location and bring back a photo or rubbing of the plaque which describes the significance of the location. Kids may bring in photos, rubbings, or digital images may be emailed to me.

Other important information?

- ❖ **Auction:** Reminder, our 205 Auction will take place on June 4th starting at about 12:00. Items up for auction must be ones that the student has made, or has helped to make. Each student is permitted up to two opportunities to auction. Supplies may be purchased or donated, but the final product must be an altered version of the original in some way. You are invited to come watch and you may purchase items up for auction... if your kids loan you some BCs!! Your kids may be buying large, fragile, or messy items (baked goods) on this day. It may be necessary to arrange for transportation home, or delivery of items. Please be sure that baked goods are nut-free and in a container that you do not need back. Your children will be wrapping up their Business Time experience on Tuesday and enjoying their retirement with the savings of their school year.

- ❖ **Math Fact Challenge:** The fourth grade math teachers have presented a challenge to their future students. A packet will be going home today in the Friday Folder describing the idea. Kids are asked to practice math facts over the summer and HAVE FUN doing it! Any student from my third grade class to complete the program, plus do a little extra in some way will receive a copy of next year's BCs delivered right to their new fourth grade classroom. Practice this summer!!!

- ❖ Please send in a large black garbage bag on Monday. We will be cleaning out desks and depending on the desk... sometimes all possessions do not fit into backpacks. 😊

- ❖ **Our last day of school is special.** We attend an event called **Pirate Daze**. (Thank you, PTA!!!) We walk to Elmwood Park to play games and have fun together. The kids will need to bring their lunch and water (in a disposable bottle, please). Please help your child to apply plenty of sunscreen before leaving the house on Wednesday. The sun can be harsh in the open field.

Each classroom is assigned a color to identify them as a "team". Our color is maroon (Rocky River maroon). I have learned that several kids in the room do not have a t-shirt of that color. If you have a hand-me-down t-shirt that a student may borrow for the day, we would appreciate the loan. There are about 8 kids we need to dress for the day. All borrowed clothing will be returned. Thanks!

Important Dates?

June 3 Academic Awards Assembly
June 4 Otto's birthday
June 4 Room 205 Auction
June 5 Last day 😊 and Pirate Daze 😊
June 7 Dorian's birthday

Our special class schedule:

- ✓ Monday = music with Mrs. Budd
- ✓ Tuesday = computers with Mr. Pfall
