Dear Parents & Guardians:

Student-athletes and their corresponding athletic teams are often eligible for Scholar Athlete recognition programs. In most cases, our coaches are asked to provide specific information about student-athletes in the form of cumulative Grade Point Average (G.P.A.) to a third party recipient.

Any type of personal identifiable information, including grade point averages, is protected under the Federal Educational Rights and Privacy Act (FERPA) and requires permission from the student-athlete's parent or guardian.

Signing below indicates your granting or denial of permission to release student-athlete's G.P.A. for purposes of Scholar Athlete recognition programs.
