## **Attendance**

The educational program offered by this District is predicated upon the presence of the student at school. Regular school attendance is essential for the educational development of students. It is also essential for the continuity of instruction and interaction between teachers and students. Attendance is required of all students enrolled in the schools during the days and hours that school is in session.

A parent/guardian must call the attendance office each day that a student is absent. If unable to call, parents are expected to write notes covering the days of absence.

### **Attendance Lines:**

Goldwood: 440-356-6730

Kensington: 440-356-6040

Notification of parents/guardians: In order to assure regular attendance in school, it is our policy to call the home of each absentee to verify the student's absence. The District reserves the right to investigate the cause of each single absence or prolonged absence.

Students will be marked "absent unexcused" if notes or other documentation is not presented upon their return. Parents have 24 hours after the absence occurs to provide documentation for the absence; otherwise, the absence will be deemed "absent unexcused."

There are two (2) types of absences at Goldwood and Kensington. They are:

1. Absent Excused
2. Absent Unexcused

**Absent Excused:** An absence of a student from school or class for the following reasons:

1. Personal illness
2. Illness in the family necessitating the presence of the child
3. Quarantine of the home
4. Death in the family
5. Necessary work at the home due to absence or incapacity of parent(s) / guardian
6. Observation or celebration of a bona fide religious holiday
7. Out-of-state travel (up to a maximum twenty-four (24) hours per year that the student's school is open for instruction to participate in a District approved enrichment or extracurricular activity
8. Such good cause as may be acceptable to the Superintendent
9. Medically necessary leave for a pregnant student in accordance with Policy 5751
10. Service as a precinct officer at a primary, special or general election

Absence shall include full days of absence, partial days of absence, and any hours missed due to cut classes or other unauthorized absence from school.

Regardless of the number of hours or days of excused absence, school administration may require written documentation or other information to verify whether a student's absence qualifies as Absent Excused for any of the permitted reasons addressed above.

In all cases where a student reaches ten (10) days of excused absence in any school year or the equivalent number of hours of excused absence in any school year, school administration shall require written documentation or other information to verify whether a student's absence qualifies as Absent Excused for any of the permitted reasons addressed above.

If a parent/guardian fails to submit promptly any written documentation or other information requested by school administration, the student's absence will be deemed to be Absent Unexcused.

Planned absences means an absence due to a set of circumstances judged by the school administration to constitute a good and sufficient cause for absence from school. Reasons for such absence may include accompanying parents on a trip, participation in non-school athletic events, family matters out-of-town, college visitation or other trips approved by the parent. Students must submit a written request accompanied by a parental note for a Planned absence to the school office five days prior to the absence.

In order for a planned absence to be considered an Absent Excused, a student must first:

- a. Notify the school administration in writing five school days in advance of the vacation
- b. Obtain the signature of classroom teachers on the form and obtain all assignments from each teacher
- c. All work must be made up.
- d. A student not complying with the aforementioned policies may receive failing grades

**Unexcused Absence:** Any absence of a student from school (full or partial days) that does not meet the criteria for Absent Excused.

Out-of-school suspension will be treated as Absent Unexcused.

**General Restrictions:** Students who are absent from school due to illness but are seen in or around the school or in the community during the school day may have their absence marked as an Unexcused Absence. If a student is too ill to come to school, he/she should be at home.

**Make-Up Privileges:** Students whose absences are deemed either Absent Excused or Absent Unexcused will have the opportunity to make-up all missed class assignments, examinations, quizzes and/or tests. The student shall have the number of days of absence to make-up missed class assignments, examinations, quizzes and/or tests. Work not completed during that time period will not be eligible for subsequent make-up or evaluation. On his/her first day back to school after an Absent Excused or Absent Unexcused the student must contact his/her teachers in each course for make-up of missed class assignments, examinations, quizzes and/or tests. Students will be permitted to make up missed assignments for unexcused absences up to 10 days. For unexcused absences in excess of 10 days, the student may not make-up missed assignments. During a student's first Out-of-School Suspension, the student will have the opportunity to earn full credit for any assignments, projects, quizzes or tests that fall during the

suspension dates. For any subsequent suspensions, a student will not receive credit for missed class work during a period of suspension.

**Absence Due to Student's Chronic Condition:** Students are advised that if there is a chronic physical condition that will cause an unusual number of days of absence, this circumstance must be on file in the school office in the form of a note signed by a physician.

**Tardiness:**

A student who is tardy to school must report to the Attendance Office first.

K-2 students who arrive late to school are required to be escorted into the building by a parent or guardian.

Students who arrive at school after 10:30am are counted absent for that half-day. Students who leave school before 1:00pm are counted absent for that half-day.

**Medical Appointments:** If possible, medical, dental, and other appointments should be made during non-school hours. After arrival, students may not leave school without permission.

**Authorized permission to leave school:**

1. Clinic pass: Authorizes student to leave at a time designated by the clinic after parent notification.
2. Attendance Office Permission: Provided for various reasons including doctor's appointments, emergencies at home, etc. Students will be excused only with parental permission

**School Truancy:**

Any student leaving the building without one of the above stated forms of permission will be considered "out of the building - unauthorized" and/or truant. A student leaving the building for a legitimate reason but without permission will have the absence marked as unexcused.

A student will be deemed "habitually truant" if the student is Absent Unexcused for:

1. 30 consecutive hours of instruction or
2. 42 hours of instruction during one calendar month or
3. 72 hours of instruction during one school year.

The parent/s and/or legal guardian of a student who is deemed "habitually truant" will be required to comply with school adopted policies and procedures to address the student's truant behavior. In each case, reasonable and meaningful attempts will be made by the school to notify and engage the student and parents in resolving the truant behavior.

If a student is habitually truant and the student's parent/legal guardian failed to cause the student to resume attendance, the Superintendent will file a complaint with the Juvenile Court and/or take other appropriate intervention actions as set forth in Board policy.

**School or Class Truancy:** Credit for missed assignments may be given to a student who is deemed habitually truant at the discretion of the administration.

NOTE: Students who are tardy or missing from class for 20 minutes or more without a legitimate excuse will have this count as an “absence unexcused” from class.

**Leaving and Entering School During The Day:**

Students are not permitted to leave the school grounds at any time during the school day unless the office has received written notice. If for some reason a student must be excused from school during the day, written notice of this must be received by the office before the student will be excused. Parents removing a child from school during the normal school day must come to the office in order to sign out.

A student who becomes ill during the day must always report to the office. These students will not be excused until a parent/guardian has been notified and pick up arrangements have been made.

**Except in the case of an extreme emergency, parents are asked to refrain from calling students out of class for the purpose of giving messages.**

**Student Drop-off**

<b>Building</b>	<b>Transportation</b>	<b>Entrance</b>
Goldwood	School Bus	Flagpole Entrance
	Car	Flagpole Entrance
<i>Goldwood student drop-off should occur at the flagpole doors between 8:50 a.m. and 9:05 a.m.</i>		
Kensington	School Bus	Lake Road, Lower Level
	Car	Falmouth Road or Kensington Road Entrances
<i>Kensington student drop-off should occur at the Falmouth or Kensington Drive doors between 8:00 a.m. and 8:30 a.m.</i>		

To prevent student injury:

- When your car is stopped, please have your child exit the car quickly.
- If your child needs additional assistance, please pull into a parking space and assist them to the designated entrance.
- Students should not cross between buses or cars.
- Please refrain from using cellular telephones during drop-off and pick-up.

Cars should not enter the Kensington playground or Falmouth Drive parking lot to drop off or pick up children. The south Falmouth parking lot at Kensington is very small and provides limited visibility for maneuvering.

### **Assemblies**

Several assemblies are held throughout the school year. These are made possible in part through the help of our P.T.A. Some performing groups, usually in the arts, are from outside our school while other groups such as the Jazz Band from the High School and the Sixth Grade Band and Junior High Jazz Band usually perform.

### **Bicycles / Skates / Scooters**

Due to the location and the traffic on Center Ridge Road, bicycles and skateboards are not permitted at Goldwood Primary School.

Students, with permission of parents, may ride bicycles to Kensington. Bicycles are to be parked in the bike racks located at the east end of the building (on Kensington Rd.). Bicycles should be **locked** and **chained** to the stand. Bicycles are to be parked upon arrival at school. Students are asked not to ride their bikes on school property during the school day other than to get to and from school.

Skateboards, hoverboards, roller skates, scooters, in-line skates may not be used or worn on school property. The school does not have a secure location for scooters and students are discouraged from using these as transportation to school.

### **Cell Phones and Telephone**

The use of cell phones or personal communication devices (e.g., iPads, iWatches, and similar devices) by students during school hours is not permitted. Goldwood and Kensington are equipped with phones in all classrooms making communication in emergency situations possible. The school is not responsible for personal cell phones or similar electronic devices students may bring to school.

School phones are for official use and not generally available for student use. The school will call for a forgotten lunch or other critical items when necessary. As remembering assignments, instruments, books, and permission forms are part of developing responsibility, students generally are not permitted to use the telephone for these matters.

### **Wireless Communication Devices (WCD's) use on School Sponsored Transportation**

Students in grades PK-2 may possess WCD's on school vehicles provided they are powered off, except with prior administrative authorization. Students in grades 3-5 may use WCD's while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, teacher/advisor/coach.

### **Fees**

A materials fee of **\$55.00** is required of each K-5th grade student enrolled and is payable at the beginning of the year or upon enrollment. A materials fee of **\$60.00** is charged for 4th grade students (4th grade fee includes \$5.00 for the music class recorder). Information about this fee and needed supplies will be included with the packet of forms parents receive.

School fees may be waived for students in need of financial assistance. Generally the standard used for waiver of fees is eligibility for free or reduced school milk. Applications

for this eligibility are available on the Goldwood/Kensington websites as well as the main Rocky River City School District home page.

### **Class Treats and Food Allergies**

#### **Goldwood**

Non-food items are acceptable to celebrate special occasions (i.e. pencils, erasers, small toys, stickers, etc.). Celebrations that are absent of food items will help protect students who may have a life threatening food allergies. This is a school wide initiative and all classrooms will abide by this non-food rule. Please help us keep all Goldwood students safe.

#### **Kensington**

As students transition to Kensington, we respectfully request all parents to provide either a non-food item or healthy snack for birthdays and or related classroom celebrations. Healthy alternatives should be discussed with the classroom teacher.

Gum chewing and candy are not permitted in the school building or at recess. Food is not permitted outside the lunchroom except for special events, which have been approved by the principal.

### **Homework**

Homework is defined as out-of-class preparation in a given subject area which is either assigned or approved by a student's teacher. This assignment is such that the student must complete all or part of the assignment either during class or non-class time.

The purpose of homework is:

- 1) to supplement and support classroom experiences
- 2) to reinforce learning through practice, integration, and application
- 3) to develop student initiative, responsibility, and self-direction through independent effort
- 4) to foster parent awareness of their child's learning activities

### **Guidelines for Homework Assignment**

During the first week of class, and at Open House, teachers will explain the schools' homework policies and their expectations. The following guidelines will govern the assignment of school homework.

- 1) Homework should logically grow from classroom instruction, problems, and projects and may include practice of spelling words, math facts, and reading library books.
- 2) Students should not be expected to learn new skills or concepts by solely completing a homework assignment.
- 3) Students should clearly understand the specific objectives, related purposes, processes and due-date of each homework assignment.

- 4) Homework assignments should be reviewed to assure completion and be returned by the teacher. Whenever possible, and certainly often, constructive criticism should be given by the teacher so that the student has the opportunity to learn from the assignment. Credit, when applicable, for the completion of the assignment may be given in light of the objectives to be accomplished.
- 5) Homework assignments should be assigned based upon the needs of students and of the class. These assignments do not need to be pencil and paper tasks.
- 6) A variety of homework should be assigned to include practice, creative, preparatory, and extending assignments.
- 7) There should be communication concerning homework among a student's teachers so as to guard against an overload of assignments. Teachers should notify students of their homework assignments and due-dates as early as possible.
- 8) Homework assignments shall not be assigned for disciplinary purposes.
- 9) Homework assignments shall be reasonable and developmentally based.

### **Lunch**

White milk, chocolate milk and juice are available for purchase from the school.

Students will eat in forty-five minute shifts. Approximately one-half of this lunch time is spent eating, while the other half includes lunch recess. Students go outside consistently and should dress accordingly. Lunchroom/playground monitors are in attendance for student supervision.

Several times a year on select Mondays and Tuesdays, our PTA provides, at a nominal cost, a pizza day lunch to students.

For Goldwood students, parents / guardians are invited to join their student for lunch on his/her birthday in the Goldwood Room. Please alert the office of the date you wish to visit the school.

### **Recess**

Students consistently go outside for recess during lunch periods at Goldwood and Kensington. We encourage students to dress accordingly for the weather conditions. During extremely cold, wet, or windy days, indoor recess is scheduled.

### **Parent Teacher Association P.T.A.**

Goldwood and Kensington Schools have a long tradition of an active and supportive P.T.A. The P.T.A. supports the school and its endeavors through providing volunteers for classroom teachers, our library, the office, and providing room mothers. In addition, P.T.A. volunteers are supplied for individual activities.

### **Visitation during school hours**

The Goldwood and Kensington staff welcomes opportunities to communicate with parents. We ask that parents please schedule appointments directly with a teacher if a conference is necessary.

Students have two opportunities to pass these important tests (Fall and Spring). Additionally, Fifth graders will take the Ohio Science Assessment. Fourth Graders participate in a standardized test battery known as the Terra Nova Test.

Currently state testing occurs each spring with end of the year exams. Ohio state wide testing requirements are subject to change.

Student lockers and desks are school property and, as such, may be subject to periodic inspections by authorized school officials. Lockers can be searched based on reasonable suspicion. In addition, parking on school property is a privilege, not a right. Cars parked on school property are subject to routine patrols by school officials. Cars may be searched upon reasonable suspicion.

Disciplinary action shall be determined based primarily on the offense committed. ### **Emergency Removal**

When circumstances are such that a student's continuing presence is reasonably certain to pose a continuing danger to persons or property or an ongoing threat of disrupting curricular or co-curricular school activities taking place within a classroom or elsewhere on school premises, the superintendent, principal, or assistant principal may remove a student from curricular or co-curricular activities, or from the school premises, without complying with the notice of hearing requirements required prior to suspension or expulsion.

In like circumstances, a teacher or supervising adult may remove a pupil from curricular or co-curricular activities under his/her supervision, without complying with the notice and hearing requirements required prior to suspension or expulsion. As soon as practicable after making such removal, the teacher shall submit reasons, in writing, for such removal to the assistant principal and/or other school officials.

If a student is removed under emergency removal, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to the student as soon as practicable prior to the hearing. Parents will be notified when a student is removed under this section.

The hearing shall be held in accordance with the procedure set forth under the suspension procedure, unless it is probable that the student may be subject to expulsion. In that event, the hearings shall be held in accordance with established procedures except that the hearing shall be held within seventy-two (72) hours of the initial removal. The individual who ordered, caused, or requested the student's removal shall be present at the hearing.

### **Out of School Suspension**

The student shall be given written notice of the intention of suspension and the reasons for such action by a building administrator. The student will be given an opportunity for an informal hearing before the building administrator, superintendent or superintendent's designee to challenge the reasons for the suspension and explain his/her actions.

Within twenty-four (24) hours after the time of a student's suspension, a building administrator shall send written notice of the suspension to the student and his/her parent or guardian and the Treasurer of the Board of Education. The notice shall include the duration of the suspension and the reasons therefore. It also shall include notification of the right of the student or his/her parent or guardian to appeal the suspension to the Board of Education or its designee within five (5) days of the suspension, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the suspension, and to request such hearing be held in executive session if such hearing is conducted by the Board. During the appeal process, the student will not be permitted to remain in school. The Board or its designee, however, shall act upon a suspension only at a public meeting.

### **Expulsion**

Prior to any expulsion, the superintendent shall give the student and his/her parent/guardian or representative written notice of the intention of expulsion.

The notice shall include the reasons for the intended expulsion, notification of the opportunity of the student, and his/her parent/guardian or representative to appear before the superintendent or his designee to challenge the reasons for the intended expulsion and explain the student's actions, and notification of the time and place to appear. The time to appear shall not be earlier than three (3) not later than five (5) days after the notice is given, unless the superintendent grants an extension of time at the request of the student or his/her parent/guardian or representative. If an extension of time is granted, the superintendent shall notify the student and his/her parent/guardian or representative of the new time and place to appear.

Within twenty-four (24) hours after the time of any expulsion, the superintendent or principal shall send written notice to the student and his/her parent/guardian and the Treasurer of the Board of Education. The notice shall include the duration of the expulsion and the reasons for the expulsion. It also shall include notification of the right of the student or his/her parent/guardian to appeal the expulsion to the Board of Education or its designee within ten (10) days of the expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee, and to request that such hearing be held in executive session if such hearing is conducted by the Board. The Board or its designee, however, shall act upon an expulsion only at a public meeting. If the expulsion is for more than twenty (20) days, or will extend into the next semester or school year, the notice must also contain information on services or programs that work toward improving the student's attitudes and behavior.

The Board, by a majority vote of its full membership, or by the action of its designee, may affirm the expulsion or may reinstate the affected student or may otherwise reverse, vacate or modify the order of expulsion.

The Board or its designee shall keep a verbatim record of all hearings under this Article. Decisions of the Board or its designee may be appealed to Common Pleas Court under Chapter 2506 of the Ohio Revised Code.

#### **Student Conduct Occurring on School Property or at School-Sponsored Events**

Unless otherwise noted in the individual section, the rules and standards for the discipline of students shall be applicable to any conduct: on-school grounds, during and immediately before or after school hours; on-school grounds at any other time when the school is being used by a group; off-school grounds at a school sponsored activity, function or event; on a school bus or conveyance; at any other time when the student is subject to the authority of the school.

### **Bullying and Other Forms of Aggressive Behavior**

Harassment, intimidation or bullying of any student is strictly prohibited on school property, on a school bus, en route to or from school, and/or while attending or participating in any out-of-school activity (regardless of whether such activity is school-sponsored, school-approved or school-related). Harassment, intimidation or bullying means: (i) any intentional written, verbal, electronic or physical act that a student or group of students exhibits toward another student more than once where the act causes mental or physical harm to the other student(s) and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student(s); (ii) any violence within a dating relationship; and (iii) any cyberbullying through electronically transmitted acts (internet, email, cellular telephone, personal digital assistance, or wireless handheld device). Engaging in any harassment, intimidation or bullying, including cyberbullying, is a serious matter which may lead to severe consequences including suspension from school or expulsion. Please refer to Policy 5517.01 of the Board of Education of the Rocky River City School District.

### **District Wide Code of Conduct**

The Code of Conduct defines specific acts that are considered violations of the expected standards of student behavior. The Code of Conduct is based on Board policy, District guidelines, and applicable law. These violations are examples of those acts that disrupt the school environment and the teaching and learning in the Rocky River City School District and are not an exhaustive list of acts of misconduct that may lead to disciplinary action.

The goal of the Code of Conduct is to provide school staff, students, parents and community members with a clear understanding of student conduct that is unacceptable and grounds for disciplinary action. A student committing an act of misconduct not listed below shall nonetheless be subject to the disciplinary authority of a building administrator or other school administrator.

Each of the behaviors and/or types of misconduct described below is prohibited and may subject a student to disciplinary action. Furthermore, any criminal misconduct by a student shall be reported to law enforcement authorities. Certain criminal acts may result in permanent exclusion from school.

When a student is subject to criminal proceedings and is otherwise unavailable (or fails) to report to school, the District may delay adjudication of any school disciplinary matter until the student returns or intends to return to school. This provision shall also apply when a student is withdrawn from school and later re-enrolled.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and transgender identity), disability, age (except as authorized by law), religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the Rocky River City School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. In particular, sexual harassment is any activity of a sexual nature that is unwanted or unwelcomed including but not limited to, touching, pinching, patting, verbal comments of a sexual nature, sexual name calling, or pressure to engage in sexual activity. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated; the Board will take immediate steps to end the harassment. The school's

disciplinary procedures will be followed in determining the appropriate consequence for any harassment, including suspension or expulsion as appropriate. The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts: retaliating against a person who has made a report or filed a complaint alleging harassment or who has participated as a witness in a harassment investigation; and/or filing a malicious or knowingly false report or complaint of harassment. Any student who believes he or she is a victim of harassment in violation of this policy should immediately notify the superintendent/designee, who is the Title IX coordinator, or the student's building principal or other administrator with whom the student feels comfortable. A complete copy of the district's anti-harassment policy may be obtained by contacting the building principal.

The administration reserves the right to confiscate any items in connection with an alleged violation of the Code of Conduct or otherwise considered inappropriate for a school setting.

Aggressive behavior toward a student, whether by other students, staff, or third parties, is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal, and psychological abuse, including any gestures, comments, threats, or actions, which cause or threaten to cause bodily harm or personal degradation. This also includes intimidation and harassment based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability, stalking, bullying/cyber-bullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing. Any student who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal. **See Board Policy 5517.01 for details.**

Desks and lockers are the property of the Board (Policy 5611) and remain at all times under the control of school officials. Students are granted the non-exclusive use of desks and lockers and should not expect privacy with respect to items stored in desks or lockers. Desks and lockers and the contents of all desks and lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any desk or locker, or its contents contains evidence of a violation of a criminal statute or a school rule. Building principals or their designees may inspect a student's vehicle parked on school premises if there is reasonable cause to believe that prohibited articles are kept there, or that school rules and regulations have been violated. If such an inspection takes place, the student or another adult will be present. An inspection of a vehicle from the exterior is not a search. This policy will not intend to limit or prevent a school official from investigating incidents and determining a basis for decisions affecting the operation of the schools, conduct of students, or services of employees.

There are situations where severe disciplinary action is required regardless of any behavior history. Out of school suspensions may also be assigned as a first time offense for serious or extreme violations of any rules listed. This decision will be made by the administration depending upon the circumstances involved. 1/2017

#### **Drug, Chemical Abuse & Alcohol Policy**

1. During school, summer school, travel on any school-provided transportation or any school-sponsored activity held on or off school property, students shall not possess, buy, sell, use, supply, transmit, be under the influence of, and/or apply any mood-altering chemical of any kind including alcohol.

2. "Under the influence" means not having the normal use of mental or physical faculties; however, the student need not be legally intoxicated. Impairment of a person's physical and/or mental faculties may be evidenced by a pattern of abnormal or erratic behavior and/or the presence of physical symptoms of drug or alcohol use. The following is a list of examples of indicators of possible drug or alcohol use: stumbling, staggering, being unsteady, slurred speech, being inappropriately loud or quiet, extreme hostility, over aggressiveness, bloodshot, red or glassy eyes, dilated pupils, smell of alcohol or illicit drugs, and/or physical evidence of drug or alcohol use (bottles, pills, and drug paraphernalia). Failure to submit to an assessment of the student's condition shall be considered being under the influence of alcohol and/or illicit drugs.
3. "Possession" includes, without limitation, retention on the student person or in purses, wallets, lockers, desk, or automobiles parked on the school property.
4. "Mood-altering chemical" including, without limitation, narcotics, depressants, stimulants, hallucinogens, counterfeit drugs, marijuana, alcohol, intoxicating inhalants, and prescription drugs, unless authorized by a medical prescription from a licensed physician and kept in the original container, which container shall state the student's name and directions for proper use.
5. The Rocky River City School District Board of Education recognizes alcohol/drug abuse and dependency to be a serious problem; furthermore, the Board recognizes the dependency stage of chemical use to be a primary physical illness.
6. Health problems of youth are primarily the responsibility of the home and community; however, schools share in that responsibility as the community's youth spend a major portion of their time therein and chemical abuse problems often interfere with school behavior, student learning, and the fullest possible development of the individual. The schools then should have a major part in early detection of chemical use, abuse and dependence, the protection of students from the promotion and sales of alcohol and non-prescribed drugs, and a partnership role with families and other institutions in seeking treatment for the chemically dependent person. Toward this goal, the Board of Education is committed to achieving an environment of high risk for those who would use or abuse all non-prescribed chemicals. This goal, however, cannot be achieved by the schools alone, regardless of funding, staffing ability or program development. The family, religious organizations, police, community health services, mental health and treatment centers, and concerned citizens must also play a role if our goal is to be accomplished. The administration is authorized to establish a community action team of school and community people which would serve as a source of advice and support to the substance abuse program as it functions within the school.
7. The Code of Conduct is in effect at school, at school and school-sponsored activities, and on school premises and school buses. In accordance with the Code, possession, consumption, sale or attempted sale of alcoholic beverages or illegal drugs, or hallucinogens, "look-alike" drugs, controlled substances without prescription, drug paraphernalia, or any substance purported to be alcoholic beverages or illegal drugs, or attendance at school or school-sponsored activities after having consumed such substances are in violation of the Code and the following procedures will be enforced:  
Use/Possession of:  
First Offense -
  - a. Ten day Out-of-School suspension. Five days will be waived if the student attends "Eduvention" and/or receives a professional assessment by a

certified chemical dependency counselor. Documentation of participation and/or assessment will be provided to the school.

**Cheating/Plagiarism**

Cheating and plagiarism cannot be tolerated in the school environment. All staff members are to be alert to potential problems in this area and must act to discourage attempts to academic dishonesty. Should such dishonesty be identified clearly, the following procedures are to be used:

First offense - the student will be reprimanded by the teacher; will receive "no credit" on the assignment; a disciplinary referral will be filed with the assistant principal; the parent will be informed by the teacher.

Second offense (in same class) --The student will be assigned a failing grade for the quarter; an office report will be filed; and the assistant principal will notify the parents.

Second offense (in different course) -- The student will be assigned a failing grade for the quarter when the multiple offense is determined by the assistant principal; parent will be notified by the teacher.

Chronic offenses may lead to suspensions from classes or failure in a given course. This will be determined by the assistant principal.

Additional disciplinary action may also be taken.

**Violation of the Tobacco-Free School/Smoking**

Students shall not possess, use or transmit tobacco products on school grounds, at any school function or activity whether on or off school grounds, or on any property within view of the school. This includes smokeless tobacco products (snuff and chew, vapor and e-cigarettes) and possessing lighters or matches.

First offense – Three days out-of-school suspension - two days will be waived if the student agrees to participate in a tobacco education program. The times of these sessions will be arranged by the instructor of the tobacco cessation program. If a student misses any one of the sessions he/she will be required to serve the other two days of suspension.

Students who make threats, spoken or implied, toward any school personnel will be subject to severe penalties including out-of-school suspension and the filing of criminal charges. All such threats shall be taken seriously and documentation of such threats will be provided to the police department.

**Student Notice Of Video Surveillance / Electronic Monitoring Equipment**

For student welfare, video surveillance / electronic monitoring systems are placed throughout District buildings, on school grounds and on buses. Any information obtained from video surveillance / electronic monitoring systems may only be used to support the orderly operation of the District's schools and facilities, and for law enforcement. As such, recordings obtained through the use of video surveillance / electronic monitoring equipment may be used as evidence in any disciplinary proceeding, administrative proceeding and/or criminal proceeding instituted by law enforcement, subject to Board policy and regulations. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the District and possible referral to the local law enforcement agencies. Copies of video recordings containing personal identifiable information about students shall not be released except to school officials with legitimate educational interests. Parents or guardians of minor students, and students who are eighteen (18) years of age or older, who are charged with disciplinary violations may view relevant portions of any video recording related to the charge, upon written request to the building principal, provided that viewing the recording does not violate State and/or Federal law with regard to the privacy rights of other students whose images appear on the recording. Otherwise, such confidential recordings shall only be released through subpoena or court order. The Board shall maintain video surveillance/electronic monitoring recordings for a limited period (based on equipment). If, however, action is taken by the Board/administration, as a result of a complaint or incident, recordings shall be kept for a minimum of one (1) year from the date of the action taken. Please note that this provision does not address or cover instances where school officials record a specific event (e.g., a play, music performance, athletic contest, graduation, or Board meeting), or an isolated instance where a classroom is videotaped for educational or research purposes. Authorized videotaping for educational, instructional and/or research purposes is permitted and is not addressed by this provision.
