

meet the Teacher!

Hi! My name is Mrs. Paul and I am excited to be coming back to school for another year at Kensington! Even more importantly, I and THRILLED to be your teacher this year! It's going to be a fun year filled with learning and new adventures! I can't wait to see what the year has in store for us! I want to know ALL about you, but first I'm going to tell you a few things about me!

I was born and raised in Ohio and I am the oldest of two children. I have a sister named Ashley and she teaches Preschoolers. I attended North Royalton City Schools and I live in Parma Heights with my husband Mr. Paul! After graduating high school, I went to Xavier University in Cincinnati, Ohio and majored in Early Childhood Education. I graduated in 2011 and started working in Rocky River in August 2011! I absolutely love teaching and previously taught second grade. This will be my fourth year as a teacher and I know this will be a wonderful year!

This past June, my husband, Mr. Paul, and I got married and have had a fun-filled summer. We enjoy spending time together and spoiling our two cats, Moose and Holly!

I hope that you are excited about Kensington and third grade! I look forward to learning about you and watching you grow as a learner this year!

Mrs. Blough

Hi students and parents! My name is Terri Blough and I am an intervention specialist. I will be co-teaching with Mrs. Paul this school year and I am very excited to meet you all. I have been teaching in the Rocky River School District for 17 years. My first 14 years I taught at Goldwood Primary mainly in second grade and now I am entering my 4th year at Kensington. I attended Capital University in Bexley, Ohio (close to Columbus) and earned a degree in general education grades 1st-8th, special education grades K-12, and I have a reading endorsement in grades K-12th. I also received my master's degree at Cleveland State University in school counseling.

I have lived in Rocky River for 3 years and love working and living in this amazing community. I am married to Mr. Billy Blough and have 2 amazing children, Will age 9 and Ella age 5. Will is in 3rd grade and attends Kensington (some of you may know him) and Ella is in pre-K at St. Thomas in Rocky River.

I am a 4th generation teacher and I love working with children. It is my greatest passion and I truly love what I do. It is an honor and privilege being one of your teachers and I look forward in meeting you all. Here is to a great, fun-filled year of learning, growing, and making wonderful memories together.
