## Mapping Out Our Week

### Reading: Reading Workshop

In reading, we are continuing to travel around the world as we explore how different countries celebrate the holidays. Students will be reviewing reading skills as we research each of the countries. They will be reflecting in their passports and reading response journals.

### Writing: Writing Workshop

In writing, we will revisit our theme of how one person can make a difference. While reviewing what we learned about Anne Frank and her helpers, we will also read about other people who are heroes in some way. Students will write and publish a related essay.

### Math: Unit 5 – Measurement/Data

Students will finish up unit five this week by practicing the creation of their own lines plots. They will also review line plot interpretation. The final unit 5 test will be on Thursday, December 18<sup>th</sup>. A study guide will come home at the beginning of the week and will be due Wednesday.

### Social Studies: Holidays/Traditions

Look for a letter on Monday that will explain our culminating holiday activity sharing family traditions. We will tie in all we've done in social studies, reading, and writing as we celebrate how special and unique we are.
