

Classroom News

Week of: October 23-27, 2023

Dates to Note:

Red Ribbon Week and Goldwood's

Fall Food Drive are both happening this week!

Monday: Dress completely mismatched

Suggestion: Pasta and Sauce

Tuesday: Wear your favorite sweatshirt

Suggestion: PB and J

Wednesday: A jersey, club or team shirt

Suggestion: Canned meats and tuna

Thursday: Wear RED for Red Ribbon Week

Suggestion: Rice and Beans

Friday: Wear Rocky River colors

Suggestion: Heat & Eat Meals

All non-perishable items are welcome any day,

The above are just suggestions.

Thank you for your generous donations!

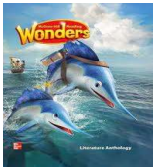

A Note From Mrs. Fiorillo

Please be sure your child is packing a healthy (nut-free) snack each day. It might be helpful if the snack is placed separately from lunches, as some students are not realizing which item is meant for snack and are eating it during lunch instead.

As the weather fluctuates over the next few weeks, please be sure your child has a light jacket or sweatshirt to wear for recess if necessary. They are also welcome to wear it in the classroom if they're chilly.

As always, THANK YOU for ALL you do. I truly appreciate everything!

Reading

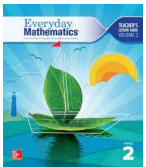

Unit 1 Culmination: We will take the Unit 1 Test over this week. This test will cover the many skills we learned throughout the unit including but not limited to: vocabulary, setting, main idea and details, finding and using text evidence, synonyms, visualizing, context clues, root words and inflectional endings. WOW, we sure have been busy!

Fundations

Unit 5 Week 1: Multi-syllabic words. Please refer to the packet sent home for unit words, concepts and trick words.

Unit 5 test will be on Wednesday, November 8th.

Math

We continue with Unit 2, focusing on Number Stories, Doubles Facts, Even & Odd and Addition Strategies. We are also learning about helper facts, turn-around facts and the making-ten strategy. We will test Unit 2 this week.

Scholastic News

The Scholastic News article this week is about fire safety. Students will be asked to use the article to find text evidence and answer questions on their homework Monday evening.

Habitat Day Fun!

We had an excellent day on Friday, October 20! Kids were able to travel to three other classrooms, in addition to ours, to learn about various habitats. They completed activities and experiments in each room and had a hard time choosing which was their favorite! I hope you enjoyed seeing their projects and hearing the stories about what they learned and experienced during Habitat Day in second grade!
