Dear Dr. Rosiak & Goldwood PTA:

We would like to thank you for organizing a school food drive and donating almost 1,110 food items to the Rocky River Assistance Program (RRAP). We are extremely grateful for your generosity and appreciate the strong support. It is through your charitable support that the Rocky River Women's Club is able to assist families and individuals in our community.

Clients find themselves in the RRAP due to unforeseen circumstances including inadequate public assistance, poor health, or temporary loss of employment. RRAP is able to provide them with food and clothing in addition to school supplies, holiday gifts, and household goods. Without community support like yours, many of these families and individuals would go without during these difficult times. Thank you again for contributing and supporting the RRAP.

Sincerely,
