Schedule Update - Green, Yellow, Red

Rocky River High School is anticipating a return to our hybrid model (yellow schedule) on Monday, January 4, 2021. Additionally, we are anticipating a return to full in-person learning (green schedule) on Monday, January 26, 2021. As always, this is subject to change. For more information, please visit this [website](#).

Activities/Athletics Update

Rocky River High School is planning on continuing the winter sports/activities season and will be moving forward with games and competitions. Some schools in the GLC are electing to shut down sports from December 14, 2020 - January 10, 2021. This may cause some cancellations or it may require us to find non-conference opponents. Thanks for understanding.

Midterms/Finals

Just a reminder that there are no midterms or finals this year, with the exception of College Credit Plus classes (CCP). Many teachers will utilize question sets or short answer response questions, originally designed for midterms, as portions of their unit assessments. The reason for this decision is that it allowed RRHS to utilize 6 additional days of instruction that were originally set aside for midterm and final exam schedules. Semester grades will be the result of combined grades from each quarter. If you have specific questions regarding this, please contact your child's counselor.

Registering for 2021-2022 Classes

Course registration for the 2021-2022 school year will begin in February and will take place online. Information materials will be sent to parents and students in late January.

School Pictures

Student picture days will take place on February 18th and 19th. More information will be shared closer to the date.

Yearbook Orders

Orders for the 2020-2021 yearbook are now being accepted. Please click [here](#) to order your copy of this year's yearbook.
