Say Something Week

RRHS will be participating in Say Something Week from March 4-8, 2024. The district-wide initiative is aligned with the Sandy Hook Promise and promotes empathy, relationship skills and responsible decision-making. Its focus is to empower students to 'Say Something' when they know a student may be in danger of hurting themselves or others. The week-long event features important information and activities to create a culture to prevent school violence by sharing information on how to look for warning signs of someone at-risk of hurting themselves or others and how to tell a trusted adult to get help. Information about Say Something Week will be promoted through school announcements and teacher classrooms.

Say Something Week is one of several programs that the RRCS counseling department promotes throughout the year, including Start with Hello Week. More information is linked [here](#).

Lifeguard Certification

RRHS will offer an American Red Cross Lifeguard Training class this spring. If interested, please review this informational [link](#).
