

Your child has been chosen to be our  
“Star of the Week!”

While your child is the Star, each day of the week will consist of an exciting event or activity to honor him or her and help us to get to know them better.  
(Your child will also be the classroom helper for the week!)

**Monday:** *Read All About ME!* Bring in the attached form filled out to be read to the class. I will then keep this form to be included in your child’s end of the year Memory Book!

**Tuesday:** *Favorite Book!* Your child can bring in his/her favorite book for me to read to the class. (Please make sure it is not too long!)

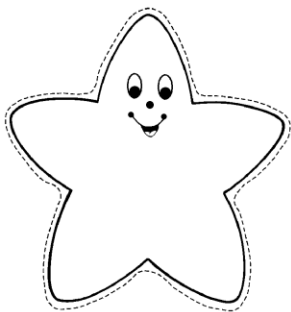

Continue to read on.....\*

**Wednesday: Parent Letter:** Parents, you will write a letter to the class telling us how special your child is to you. Send the letter in a sealed envelope to school with your child, and I will read the letter to the class during our Opening Activities. The content of the letter is up to you, but you may want to choose from one of the following ideas: describe special or funny stories about your child for the class to hear, write a silly or serious poem about your child, tell us some neat things we may not know about your child, send silly or special pictures with a letter describing the pictures, or write a short story with your child as the main character. You may also send a special video for the class to watch if you choose. (Sometimes parents have taped messages or choose to send in a funny baby video for the class to see.) I will also keep the letter so that I can include it in your child's end of the year Memory Book.

**Thursday: Sharing Sack:** Your child can choose 3 special items to be put into the Sharing Sack that will come home with your child on Wednesday and should be brought back to school the next day! (Encourage your child to bring in 3 items that are meaningful to them.)

**Friday: Star Student Book:** Your child will be presented with his/her a special class book to take home that will be created by his/her classmates.

Please let me know if you have any additional questions about the upcoming week!
