## A Review of the 2020 Season

When a 2020 Rocky River Girls Soccer (RRGS) player or fan reflects back on this year, will they think about the record number of US forest fires and hurricanes, a volatile and disputed presidential election, the COVID-19 virus, the wearing of masks, the season that almost wasn't, or an amazing season where they just missed going to the State Championship? Either way, the year 2020 will be memorable.

Reflecting on the season, impressive achievements and records were made by the 2020 RRGS team and the players in the categories of Game, Season and Career.

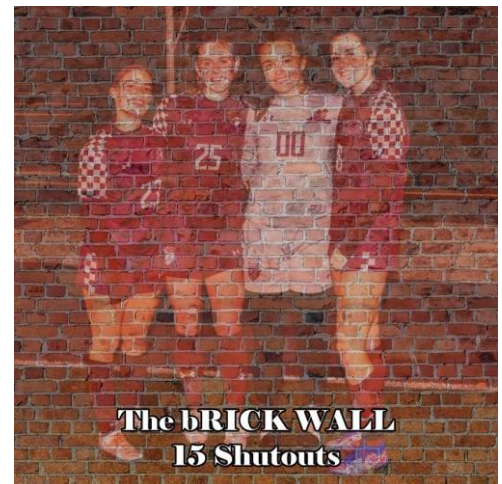

Game – Ava Patti had 4 goals in the game against St Vincent St Mary and the 4 goals in a game mark has been done 13 times in RRGS history. In the 2<sup>nd</sup> year of the program in 1989, Melissa Jones scored 5 goals in a game, three times that season (which is the record)!

Season and Career – The 2020 teams' 19 wins, 2 draws, and 1 loss are the 2<sup>nd</sup> best wins and loss achievements in RRGS history bowing to the 2013 State Champions Team of 22 wins, 1 draw and zero losses. Next best was 2011's 18 wins, 1 tie, and 2 losses and 2012's 17 wins and 3 losses. Those are the 4 best records and after that you must drop down to the multiple 15-win teams.

Ava Patti had 28 goals on the season which is 5<sup>th</sup> best all-time for a season and no player has ever been even close to scoring 20 goals as a freshman. Plus, with all those goals and 3 assists, Ava's total points of 59 is 8<sup>th</sup> best for a season. Maya Patti's 16 assists are 9<sup>th</sup> best for a season in RRGS history. Seventeen players scored a goal or more and there were 16 players with assists and the prolific 2020 team had a 5<sup>th</sup> best 3.86 goals per game average scoring 85 goals for the season which is the second most all-time for an RRGS team. A huge achievement. The 2013 team had a crazy 128 goals and a 5.57 goals per game average for first all-time.

Defensively, the 2020 season accomplishments are outstanding: 15 shutouts are tops all-time and a record that the 2013 team's 14 shutouts thought they would hold forever. Twice this year there were streaks of 4 straight shutouts, which Sabrina Rick, as the keeper, also achieved once last year. The 12 goals allowed and the average goals allowed per game of 0.55 are the 3<sup>rd</sup> best markers in RRGS history behind 2010's 10 goals allowed over 20 games and 2013's 11 goals allowed which was over 23 games.

In 2013, they gave up 5 goals or almost half their season total over the last 3 games over the 23 game season. The 4 goals given up in the game against Madison this year accounted for 33% of the 12 goals allowed for the season.

One of the biggest accomplishments of the season was the 8-0-1 Great Lakes Conference Co-Champions title with Buckeye. No River team has ever won 8 conference games but no River team prior to this year had more than 8 teams in their conference. This year the GLC had 10 teams (River, Bay, Buckeye, Elyria Catholic, Fairview, Holy Name, Lakewood, Normandy, Parma and Valley Forge) and next year the GLC adds North Olmsted and Westlake.

This year, the Northeast Ohio District/Region went to Super Districts/Region expanding the selection field and seeding to the entire Region and giving the better teams a better chance to meet later in the bigger matches. For the District title, River beat Copley, a team it had never played before, and credibly won the District which gave River its 5<sup>th</sup> District title all-time (2011, 2012, 2013, 2019, 2020). Of note, all the RRGs District titles came after girls' soccer expanded from 2 divisions to 3 divisions and RRGs was declared D2.

Winning the Regional Semi-Final convincingly 4-1 over West Geauga and then the Regional Championship 2-0 over Revere, another team that RRGs had never played before, had only been accomplished before by the 2013 State Champion team. The 2020 team, undefeated (19-0-2) and state ranked #3, earned the right to play the State Semi-Final game against undefeated, state ranked #1, Mansfield Madison Comprehensive High School (19-0-3).

The match against Madison started amazingly well for RRGs as they dominated play for the first half scoring 2 goals and hardly being threatened except by a loopy ball from the side scored by Madison with about 9 minutes remaining. The second half was pretty much all Madison and their 4-time All-American, Taylor Huff, who scored a hat trick to finish the game and RRGs' chances at the State title.

It should be noted the defenders and midfielders don't often get the big stats for the record books but those that watched them play saw some big and significant things. Junior winger, Taylor Byall, tripled her output over her previous season with 11 goals and 4 assists with some important game goals. On the other side of the field, her mirror, Sophia Murray held down the right wing and got 4 goals and 7 assists. The patrol of the midfield was done by the trio of a junior, a sophomore, and a freshman: Addie Harris, Cara McKenna and Mackenzie Russell. The three of them had 10 or more points with Russell getting an impressive 11 assists.

The defense and goalkeeper were ALL seniors: Cecilia Wischmeier, Mia Kelly, Keira Vesey, and Sabrina Rick. Rick worked hard, quietly and with no-drama and eventually won over the keeper spot to turn in 2 Top-10 goalkeeper seasons and the last one being quite remarkable. The SuperFans called her the "bRick Wall."

Not many have played the defensive spot the size of Wischmeier but she became a necessary replacement on the back line last year during the playoff run and has owned the position ever since. A healthy Kelly stepped up bigtime this year and in the playoff run, she played phenomenally preventing any goals from her side. Vesey's return to high school soccer since her freshman year was a welcome surprise. Not only was her run-down defense and sliding pokes nice to have, her 6 amazing free kick goals may be the most ever scored in a season by an RRGs player.

The 2020 bench was deep and more players subbed into important games than normal for Coach Hopkins team because of so much talent. Goals and assists were scored by Nicole Contenza, Vivian Brandt, Chloe Eberlein, Rayna Kishna, Ava Blair, Madeline Lundin, Bella Crompton, Ava Blair and Maeve Kelly.

Another note of significance is the sister-sister combinations on this team, Mia and Maeve Kelly and Maya and Ava Patti. Mia's defensive senior play was impressive this year and when freshman sister Maeve got in, she attacked and got 2 goals and 3 assists. The Patti sisters had the most prolific sister-sister season offensive attack in RRGs history. Their combined goals (35) and assists (19) and total points (89) outperforms every sister-sister varsity season combo ever and by a lot. The next closest was 2015 by the McDonalds, Emily and Olivia (14 goals, 6 assists, 34 points), and then the McCues, Hannah and Hallie in 2011 (10 goals, 13 assists, 33 points). The Jaworskis, Beth, Megan and Anne in 2004 (10 goals, 8 assists, 28 points) and the Killeens in 2010, Kasey and Megan (8 goals, 1 assist, 17 points) round out the top 5.

(Other sister-sister varsity combination seasons include 2005 & 2006 Beth & Megan Jaworski, 2002 & 2003 Debra and Molly Leitch, 1992 & 1993 Jessica and Lauren Levine, 2010 Hannah & Hallie McCue, 2014 Emily and Olivia McDonald, 2008-2010 Allison & Megan McFarland, and 2006 Courtney & Christin Van Atta.)

**Keira Vesy** not only received top honors as the Greater Cleveland DII Player of the Year and DII All-Ohio, she was also named USC All-Central Region and becomes the programs fourth **All-American**.

Coach Hopkins entered the 2020 season as his 15<sup>th</sup> year as head coach of RRGS and he whispered to a few confidants that this team was going to make noise and a big run. Coming off of 2019's Regional Semi-Final loss to Mansfield

Madison, he recognized much of the team was returning and the seniors that moved on were replaced by equally as talented players and maybe something with just a little extra in their step, their kick, and their view of the game. Hopkins turned out to be prophetic and this team bumped up his career record to 194 wins, 73 losses, and 24 ties and helped him earn his second **OSSCA Division II, State Coach of the Year Award (2020 & 2013)**. In 2013, Hopkins was also named NSCAA D1 Central Region Coach of the Year. Hopkins was awarded the OSSCA Kim Mahoney All-Ohio Coaches Award, D1 in 2010.

## Rocky River High School Girls Soccer Team Crest History

When Coach Hopkins became the head coach of RRGs back in the Fall of 2006, he started a new tradition by incorporating a logo/crest which would be unique for the RRGs team.

He borrowed ideas from an English Premier League team's crest, the Liverpool Football Club and the Rocky River School System's logo at the time and merged them. This explains why it reads "FOOTBALL" and not "SOCCER"

When the crest was established, RRGs had never won a Conference Championship or a District Final.

In its 21<sup>st</sup> year of existence, RRGs won its first Conference title as the 2008 West Shore Conference Champions. To recognize this achievement, a ★ was added to the crest much like how countries add stars to their national uniforms for each of their World Cup wins.

This was followed by more WSC Championships in 2010, 2011 and 2013.

The ultimate goal of a lifetime is a State Championship which was last accomplished by a Rocky River High School team in 1927 by the Boys Track Team.

However, if that was ever achieved, then a  would be added to the crest which would symbolize the achievement which gives the logo ending the 2013 season as...

In 2014 a WSC Championship star and in 2018 a GLC Championship had to be added to the logo version and again for 2019 and 2020....

### Abby Elinsky in the Pros

2013 Ms. Soccer Ohio and RRGs State Champion alum, Sydney Abby Elinsky completed her third year playing professional soccer this season with the NWSL Orlando Pride.

After completing her college career at the University of North Carolina Tar Heels in 2017, Abby was selected 30<sup>th</sup> overall in the 2018 NWSL draft by the Houston Dash and was ultimately traded to the Orlando Pride. She made her first professional appearance on March 31<sup>st</sup>, 2018 against the Washington Spirit. Abby made her first professional start on May 25<sup>th</sup>, 2019 against the Utah Royals FC.

### 5<sup>th</sup> Grade Girl's Letter to RRGs Team in 2013 Makes Its Return

In 2013, after the RRGs team had won the State Semi-Final match against Hathaway Brown (6-2), the team was bound for Columbus two days later to arrive a day early for the State Championship match against the Granville Blue Aces. On that day, the RRGs team and coaches paraded through the halls of all the Rocky River City Schools: Goldwood Primary, Kensington Intermediate, Rocky River Middle School and the Rocky River High School.

While walking through the halls of Kensington, a little 5<sup>th</sup> grade girl handed Coach Hopkins a letter describing how excited she was for the team and her own excitement for the big game. Coach Hopkins shared the letter with team and saved it with his other memorable from the State Championship run.

The letter was from little Maya Patti, this year's current 4-year letter winner and co-captain of the 2020 State Tournament and Regional Champions RRGs team. Maya and the 2020 RRGs team came so close to matching the expectations of her letter 7 years later almost to the day. I must admit that Sara Connelly and McKenna Klodnick both remembered the letter while watching the 2020 team win the Regional Championship and asked that it be shared again.

### 2013 Rocky River Soccer Organization Travel Soccer Team

Many times, successful RRGs teams can be traced back to their RRSO Travel Soccer roots. The 2013 State Champion Team had 5 girls that played together since they were 8 years old: Grace Bennett, Sara Connelly, Liesl Fahrenkopf, Megan Killeen, and McKenna Klodnick. Often, they were joined by underlings Sydney Hamker, Jillian Krebs, and Eva Schneider for tournaments and important challenges.

This year's 2020 RRGs Team had 6 Senior girls continue to play soccer together from their RRSO days as seen in the 2013 pictured here.

The players are:

1. Sabrina Rick
2. Maya Patti
3. Cecelia Wishmeier
4. Keira Vesey
5. Nicole Contenza
6. Mia Kelly

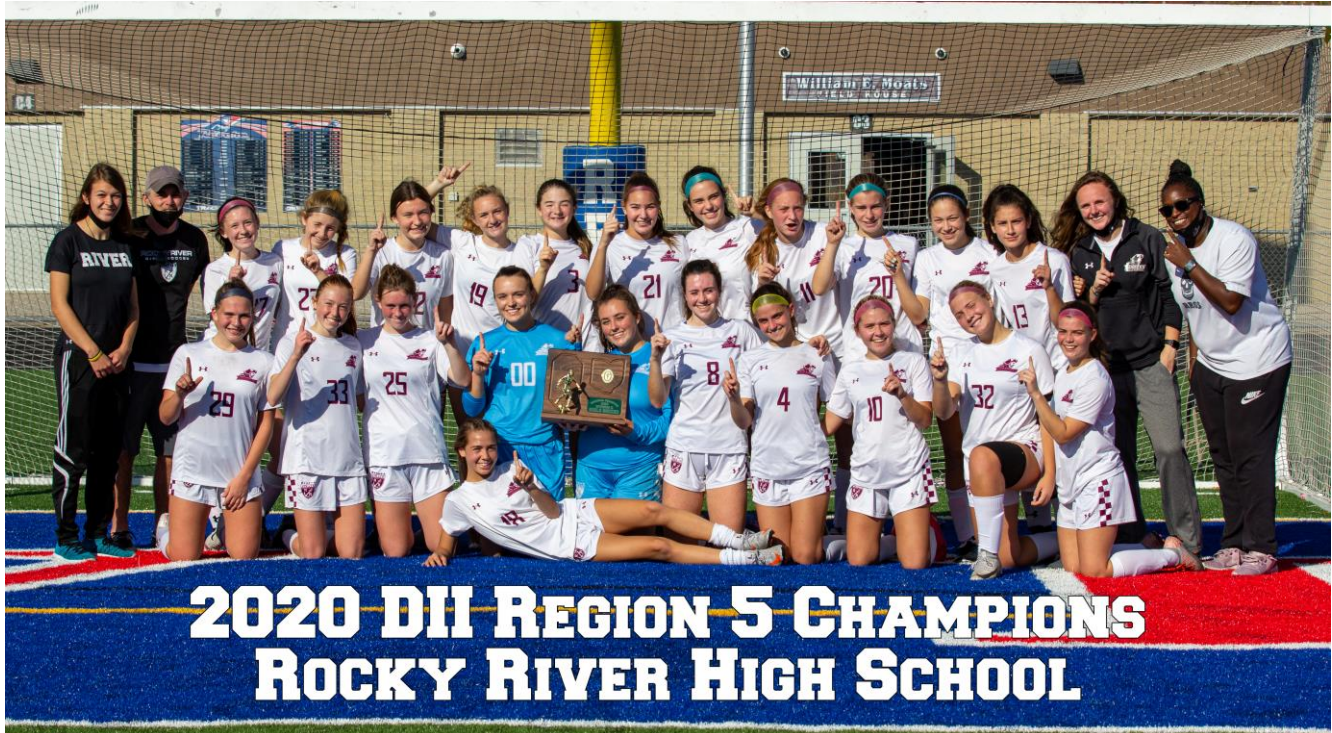

### Thank You, Everyone, for a Great Season

It was a great year and there are so many folks to thank, just a few that I could think of: RRBN for broadcasting so many games; OhioSportsNet.TV for highlights; John Kristoff, our announcer; Skip Snow, THE RRHS sports reporter; Chris Harris, our scorekeeper; everybody that made it possible to have the season from the RRHS Stadium Staff, Athletic Director Mark Wagner, RRHS Principal Winton, and the RRGs players and their families for wearing their masks and doing their part so we could have the season and not miss any games. I apologize for the many other folks that I am not thanking but your support was and is appreciated.

## Nothing's been given to Abby Elinsky

📅 June 1, 2020 👤 Carson A Merk 💎 Abby Elinsky, Orlando Pride, Rocky River

'In Northeast Ohio, nothing is given. Everything is earned. You work for what you have.' That was a powerful statement in [the Sports Illustrated letter](#) from LeBron James announcing his return to the Cleveland Cavaliers in 2014. That has definitely proven true for Abby Elinsky as she's worked for everything on her journey from Rocky River, Ohio to [Orlando Pride](#).

### Cleveland is the reason

After moving from Philadelphia, Abby became a star in Rocky River, a suburb on the west side of Cleveland. She led Rocky River High School to their first-ever state title and received numerous

individual honors like Gatorade Ohio Girls Soccer Player of the Year and NSCAA All-American. Elinsky was also a monster for her club team, Cleveland United SC.

"My club team had girls traveling 1-2 hours to get to each session from around the state. One of my coaches himself who helped me develop played at the highest level himself in Europe while playing positionally against Pele," Abby told BGN. "He is a futbol genius and the sweetest/goofiest man. We called him Papa Joe (Owner and Director of Player Development Joe Raduka), and as young girls, we were really blessed to have such positive energy around us while developing."

"We also had the best team chemistry because of this, my teammates and I are still best friends to this day despite going off to play at different colleges. With my club team, we won nationals, and with my high school, we won states. I have great memories playing with both teams I was during my time in Cleveland, and for that, I'm most grateful!"

While Cleveland often ends up as the butt of a joke these days, Abby feels like The Land is definitely underrated. "Summertime is dreamy there. Such perfect weather, water close by as my family's house has the back yard being Lake Erie," she explained. "There is the Cleveland yachting club, CYC, in which boats and sailboats are coming to and from- talk about aesthetically pleasing."

"There's also a pool and restaurant there which is a fan favorite for the summer days. As for the winter, it's harsh being waterfront, but I'm a 'seasons' type of girl so it also comes to be refreshing as well! My dad grew up in Cleveland so we have close friends "family", which makes the place even more special."

## Life is a journey, not a destination

She left the Cleveland suburb and started her college career at the University of Illinois before she played all over the pitch as a Tarheel at the University of North Carolina. Abby featured at every level of the formation, outside of goalkeeper. In 2017, she scored twice and added four assists.

"I grew up as a forward, scoring goals and finding myself while doing so, all the way up to college (then had a transition into positional changes based on the coach's preference)," she said. "Mia Hamm was always my role model growing up (her uncle called her Abby Hamm when she was younger), and then I got to hang out with her and watch a game at a tournament once I began playing for North Carolina."

"It's pleasing to see things come full circle, what you want most, and people you cherish for their abilities, then to achieve one of those goals you've been striving for in your career and spending time with people you've looked up to."

With the versatility and overall athleticism that she showcased at UNC, Elinsky was selected in the third round of the 2018 NWSL College Draft by the Houston Dash. But, before her rookie season, she was released by the team. Elinsky joined the Pride as a national team replacement player. That season, she would only appear in two matches, playing just over 30 minutes of soccer, and registering zero shots or assists. She returned to Orlando for the 2019 season and featured in 18 matches, including four starts.

While becoming a professional athlete is an accomplishment in itself, Abby's had to work extra hard to get where she is. Does that journey make her current position that much sweeter? "Of course," she answered. "A favorite saying of mine is that anything worth having it doesn't come easy. That's in its truest form in the things we want most. Since I can remember as a young girl, it's always been about soccer."

Her family has played a big part in this journey, instilling the right mindset to keep grinding. "At a young age, I always imagined myself playing for team USA. The confidence I had and continued to have in my craft and what I have to offer (very much so including perseverance and hard work), I contribute to my dad. He wrestled for Team USA and went as an alternate for his weight to the '92

Olympics. Growing up with his undivided support and more important than anything else, he was never biased with me.

She added, “We would go over strengths and weaknesses after every training/game. He always phrased critiques towards me, ‘to be the best in the world/to play on the Olympic team’, the way in which he chose to relay information tremendously helped me at a young age visualize my dream. As I got older I realized it’s not a crazy dream as long as you are willing to work to become your best every chance you’ve got, which is still the mindset I choose to have while playing in the pros.”

Her increased workload in 2019 led to a determined offseason of training for Elinsky. “My training focus, currently, is to practice my decision making in front of goal to become clinical on frame. Like clockwork, I often remind myself how much power to approach the ball with given the different circumstances, to calm my mind while transitioning from doing the hard work, then the final piece of finishing and doing so (with) every single chance I am presented with,” she explained. “This sophistication of the fundamentals I am focused on in my practice will translate into games. This is how I plan on contributing in front of goal for my team.”

2019 was definitely a step in the right direction, but with that focused offseason training, 2020 looks set to be Abby’s best year yet as a professional. While she’s been waiting to take the next step in 2020, her go-to quarantine shows have been Entourage, Gossip Girl (again), and Grey’s Anatomy, a self-proclaimed McDreamy fan. Now that the NWSL announced the 2020 NWSL Challenge Cup, Abby Elinsky will have the chance to prove that, like her favorite Cleveland rapper Kid Cudi, she has the heart of a lion.

## Bucs, Jags play to 2-2 tie at Rocky River Stadium

ROCKY RIVER, Ohio – Rocky River opened its 2020 season with a 2-2 tie against St. Joseph on a warm evening at Rocky River Stadium Monday.

Newcomer Ava Patti scored both Pirate goals. Both were answered, however, by the Jaguars, who twice trailed in the non-conference match which lifted the lid on the 33<sup>rd</sup> season of Rocky River Girls' Soccer.

Ava Patti's first goal opened the scoring less than a third of the way through the opening half. The freshman forward was on the receiving end of a long pass from her sister – senior captain Maya Patti – and she dribbled past a defender before whipping a 15-yard shot into the top-right 90. The netfinder, which came in the eighth minute, was set up in the River defensive zone when senior Cecilia Wischmeier turned a reversal into a pass downfield to the elder Patti sister.

The Jaguars countered and leveled the score at 1-1 in the 17<sup>th</sup> minute when Ella Maher nodded home a well-placed corner kick from Olivia Irvin. The goal came on the first shot of the game registered by the visiting side.

The tie score made its way to the 37<sup>th</sup> minute when a nifty three-way play vaulted the Pirates in front. Cara McKenna set up the play, finding Taylor Byall on a pass from the midfield logo to the left flank. Byall took contact but advanced the ball deep into the box where Ava Patti corralled it and banged it home from 11 yards out. 8

The McKenna-to-Byall-to-Patti goal came on River's 10<sup>th</sup> shot; the Pirates would go on to outshoot the Jaguars, 11-2, over the first 40-minute stanza.

After halftime St. Joseph countered again, knotting the score with a goal in the 48<sup>th</sup> minute. It was senior Katie Donnelly finding twine for the Jaguars – Donnelly took a feed from the top of the box and connected on an 8-yarder which eluded Rocky River goalkeeper Sabrina Rick.

The Detroit Road Buccaneers nearly regained the lead in the 57<sup>th</sup> minute when Maya Patti bolted between two defenders to rifle a 10-yard whistler headed for nylon. But SJA 'keeper Cate Shepherd batted the ball over the crossbar to garner an athletic save. Shepherd came up big again in the 68<sup>th</sup> minute when she thwarted a Pirate attack with a doorstep save.

Rick came up with a monster save of her own in the 74<sup>th</sup> minute. Her twisting stop of a would-be goal came after a misplay in the Pirate backfield. The three-year letterman made five saves in the second half.

The shots were even – 8-8 – in the second. But St. Joseph put six shots on cage to River's three. For the game, the Pirates outshot the Jaguars, 19-10. Both Rick and Shepherd recorded five saves in the draw.

Rocky River (0-0-1) got solid play from senior defender Mia Kelly, who time and again deadened the left side of the St. Joseph attack. Fellow seniors Keira Vesey and Cecilia Wischmeier were also adept at knocking SJA plays off kilter before they developed into scoring chances.

St. Joseph (1-0-1) and Rocky River hadn't met since 2017. The tie snapped a six-game Pirate win streak in the cross-river match-up of west bank versus east. The River season opener in 2010 was also a tie against SJA (0-0 on Aug. 23). In home openers, the Pirates extended what is now an 11-game unbeaten streak (8-0-3). River's last loss in a home debut came on Aug. 29, 2009 (4-0 loss to Magnificat).

But ultimately, the streaks and stats took a back seat to something not witnessed since Oct. 21, 2019 – a varsity athletic contest at Rocky River Stadium.

A contest with ups and downs, vigorous effort, trials, tenacity, and teamwork. In other words, exactly what we needed, student-athletes and fans alike.

## Pirates cage Cougars in big 2-0 win at home

ROCKY RIVER, Ohio – Rocky River turned the tide on a 2019 loss to a talented team from Mentor and bounced back from losing the lead on their opening-night game against St. Joseph, as the Pirates defeated the Lake Catholic Cougars, 2-0, in a well-played early-season tilt at Rocky River Stadium on Wednesday night.

River outshot Lake, 16-10, and logged seven corner kicks to the Cougars' one. The Pirates (1-0-1) tallied one goal in each half, and senior goalkeeper Sabrina Rick made those scores stand up with a four-save shutout.

The opening minutes of Wednesday's match were an exchange of possessions contesting the middle 40 yards of the field. Gradually, Rocky River initiated some field tilt with crisp passing and alert defense. That sway in momentum eventually resulted in a ninth-minute corner kick which netted a Pirate goal.

That goal came off the right foot of sophomore midfielder Cara McKenna, who came up with a loose ball in traffic after the Lake Catholic goalkeeper – Sophia Pecjak – lunged forward attempting to clear the play. The 'keeper came up empty; McKenna did not. The returning letterwinner banged the orb through a tangle of feet and across the goal line, lifting Rocky River to a 1-0 lead.

The Pirates played out the half forcing Pecjak to make three saves against one for Rick.

Early in the second half and on their fourth corner kick of the match, the Double-R doubled up on its lead. A perfect feed from Addie Harris landed amidst a flurry of action in the shadow of the near post. Keira Vesy pounced and launched a quick boot. Her shot was stopped but only by the twisted nylon behind Pecjak.

And with that, Rocky River had accomplished something that eluded the team in Monday's 2-2 draw – the Pirates had themselves a two-goal cushion. The Detroit Road Buccaneers would protect that two-goal lead, weathering a Lake push over the middle minutes of the half and eventually playing keep-away with deft passing and patient field management.

River's ball-control approach was efficient. But it wasn't perfect. The Cougars had a tremendous scoring opportunity in the 48<sup>th</sup> minute when a 10-yard rifle shot from the left side was sent hurtling toward the top third of the net and bound for the inside of the far post. A fully sprawled Rick, leaping and twisting into the ball's flight, was able to intercept the bullet. The senior batted the shot harmlessly over the crossbar.

Two-goal lead preserved. Momentum maintained.

Rick gave Lake another dose of twine envy when she stymied a shot from junior Gianna Carcelli, who had made a nifty spin move deep in the box in the 63<sup>rd</sup> minute.

Late in the game, the River possession game moved south, setting up camp at the Cougar end of the field. The team's 11<sup>th</sup> shutout of the last two seasons (2019-20) was preserved in the fashion any goalkeeper would prefer – with the ball some 85 yards away from the undented twine at her back. Prior to that late surge, Rick was protected by the heady defensive play of Mia Kelly, McKenna, Vesy and company.

Wednesday's Pirate victory ended a run of 2-1 games in the series. Lake Catholic defeated Rocky River, 2-1, in last year's season opener (Aug. 26, 2019). River beat Lake, 2-1, the year before. And in 2017, the Cougars bested the Pirates by that same tally. Dating back to 2016, Lake Catholic had won 3-of-4 from the Maroon & White.

River twice lost one-goal leads in its Aug. 24 opener against the St. Joseph Jaguars. Wednesday's home match brought in another big cat, with a talented Cougar foe from the east side. And it brought in a big opportunity ... and, after 80 minutes of tremendous team play, a big win.

## Seniors spearhead 9-0 win over Fairview

ROCKY RIVER, Ohio – Rocky River opened its 2020 Great Lakes Conference slate with a dominant 9-0 victory over Fairview on Monday.

The defending outright circuit champs remained unbeaten (2-0-1, 1-0 GLC) on the young season, outshooting the Warriors, 28-3, and getting seven goals in the first half and two in the second.

Monday's contest on what was a beautiful late-summer evening at Rocky River Stadium marked Senior Night for the Rocky River program. Six senior players – Nicole Contenza, Mia Kelly, Maya Patti, Sabrina Rick, Keira Vesy, Cecelia Wischmeier – were recognized in a pregame ceremony. All six were instrumental in the Pirates' tremendous first-half flurry of goals.

Rocky River (2-0-1, 1-0 GLC) applied tenacious pressure early in the match. The near-constant assault in and around the box resulted in a Keira Vesy

goal on a 25-yard free kick in the seventh minute. The daughter of Brian Vesy and Christa Vesy lofted her kick to the top-left 90, ripping twine behind Fairview goalkeeper Molly Hoskin.

Less than two minutes later, a 20-yard Maya Patti feed connected with Nicole Contenza. The daughter of Bill and Jenny Contenza banged the shot in from the doorstep to lift River's lead to 2-0. Junior Addie Harris got in on the act by converting a penalty kick in the 15th minute. Right behind her was junior Sophia Murray who benefited from a Vesy play in the 17th minute. That goal extended the Pirate lead to 4-0.

Thirty-one seconds after Murray's goal, Maya Patti found the back of the net for her first score of the season. The daughter of Frank Patti and Sandee Mosier led the Maroon & White with 14 goals a year ago. She tallied two on Monday.

Junior Madeline Lundin and freshman Mackenzie Russell registered their career-first goals late in the half, and River went into halftime leading, 7-0. The Pirates outshot the Warriors, 25-1, over the opening 40 minutes. Rocky River put 18 shots on net, and one of the Bucs' seven misses found iron.

The second half evolved as a possession-control exhibition, a dizzying network of maroon-legged connections over the middle 40 of the field. Seniors Mia Kelly and Cecelia Wischmeier were key figures in the field tilt throughout. The daughters of Gerry Kelly and Meg Murray and Gordon and Kathleen Wischmeier were in on numerous tackles, reversals, and thwarted Fairview outlets.

It all managed to keep fellow senior Sabrina Rick free and clear of traffic at the south end of the stadium. The daughter of Steve and Jen Rick had been plenty busy in helping to establish a run that continued on Monday night: since Oct. 7, the Pirates are 8-1-1; they've allowed just seven goals over that 10-match span. Rick did register one save on Monday; it came in the 68th minute. She was replaced by junior 'keeper Madigan O'Malley in the 78th minute.

For Rocky River, the final 40 included three shots, two shots on goal, and two goals. The netfinders came courtesy Maya Patti and sophomore Bella Crompton.

With the victory on Detroit Road, Rocky River is now 11-2-3 over its last 16 games at home. Over their last 15 GLC contests, the Pirates are 13-1-1. And on this Senior Night for the program, it bears revealing one more trend:

Over the last four years (2017-20), the Rocky River Pirates are 31-17-4 and they've won two league crowns. For a half-dozen seniors and the rest of a talented 2020 squad, a march for No. 3 ensued under the lights on Monday.

## Bucs and Bucks battle to 2-2 draw

MEDINA, Ohio -- Rocky River remained unbeaten, but two late goals by the host Buckeye Bucks cost the Pirates a victory in Wednesday night Great Lakes Conference action at Buckeye High School. The DII fourth-ranked (Ohio Scholastic Soccer Coaches) Pirates scored the game's lone first-half goal and then doubled their lead 10 minutes into the second. But the Bucks battled back with two unanswered netfinders to close out an eventual 2-2 tie.

Rocky River (3-0-2, 1-0-1 GLC) made its way through seven straight halves of scoreless soccer before yielding the two Buckeye goals on Wednesday. The Maroon & White hadn't been scored on since their Aug. 24 season opener.

On Wednesday, the Pirates got on the board first when Ava Patti scored her third goal of the season. In the 37th minute of the match, Patti was the

beneficiary of a sister-sister give-and-go, taking a pass from Maya Patti and converting from the point, just outside the box. River took that goal into halftime, leading 1-0.

In the 50th minute, some fine playmaking by Keira Vesey and Sophia Murray set up Addie Harris for a goal. Murray was tagged with an assist and Rocky River found itself up, 2-0, and outshooting the Bucks by a 2-to-1 margin. Harris' goal -- her second this season and the 11th of her career -- came on River's 13th shot of the evening. The Pirates would lose just three more attempts the rest of the way.

Buckeye scored in the 56th minute. A 2-1 Pirate lead would make its way to the 77th minute, with both defenses holding sway in a tight, physical match.

In that 77th minute, the Bucks scored off what marked just their second corner of the night. The Buckeye goal sealed a two-goal rally, and it capped off the scoring in a 2-2 GLC match.

For the game, Rocky River outshot Buckeye, 16-7.

### CANNON FIRE ...

## Pirates pillage Panthers, 4-0

ROCKY RIVER, Ohio -- Pass by pass -- boot to boot and playing all the right angles with crisp timing, the Pirates cobbled together a dominant 80 minutes of soccer on Wednesday evening. Rocky River strung together lengthy, multi-pass attacks throughout the match en route to downing Elyria Catholic, 4-0.

The Maroon & White remained unbeaten with the Great Lakes Conference victory on what was a warm early-fall evening at Rocky River Stadium. The fourth-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates outshot the Panthers, 30-4, pressuring the visitors into nine corners along the way.

With the win, Rocky River (6-0-2, 4-0-1 GLC) is now 6-0 against EC since the Pirates and Panthers became conference foes in 2015. Wednesday's victory came against a Panther team that went into the match allowing just

0.89 goals per contest.

River's first goal was landed by senior Keira Vesey, who nodded home a tremendous corner kick from Addie Harris. That 10th-minute opportunity was set up by a near miss by Taylor Byall, a shot which was deflected over the end line by Panthers goalkeeper Cameron Resor.

Resor was busy in the opening half, facing 15 Rocky River shots -- nine on frame -- in a 40-minute period controlled throughout by the home side. Byall and sophomore midfielder Cara McKenna were instrumental in the Maroon & White piling up possession time and quality looks at the nylon behind Resor.

The match remained 1-0 until the final minute of the first half when sophomore Ava Blair took a long cross from an unidentified teammate on the left flank and belted a 25-yard shot Resor could only momentarily deflect. The momentum of Blair's shot carried, with sufficient English, over the goal line.

In the second half, the Pirates got endgame goals from Ava Patti (53rd minute) and Mackenzie Russell (78th).

With its win over Elyria Catholic (7-2-1, 2-2-1), Rocky River is now 4-0-1 at home this season. Dating to last season, the Pirates are 8-0-1 over their last nine matches on Detroit Road.

Their home field, their scoreboard, and -- on Wednesday against the Panthers -- their soccer ball. All night.

### CANNON FIRE ...

**FIRST WITH A BURST:** Ava Blair's goal marked the first of her career. Twelve Pirates have now scored a goal this season. Ava Patti's six lead the team. ... ## Rangers washed away by River reign

LAKEWOOD, Ohio -- Add the weather to a list of foes that haven't stopped the Rocky River Pirates in 2020.

On a drenched Monday night at Lakewood Stadium, the Pirates defeated the Lakewood Rangers, 2-0, to remain unbeaten in the 2020 season. Slogging their way one goal in each half, the rain-soaked raiders from Rocky River earned their seventh shutout win of the season. On Monday, the most recent of those clean sheets was logged against a Lakewood team which had scored 22 goals over its previous four matches.

The fifth-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates got a first-half goal from Taylor Byall and a second-half twine-finder from Maya Patti. Goalkeeper Sabrina Rick registered two saves at the other end in recording her 19th career shutout. Rocky River (7-0-2, 5-0-1 Great Lakes Conference) has now earned shutouts in each of its last four matches.

## River conquers Comets, 2-1

SOLON, Ohio -- Rocky River earned a 2-1 nonconference victory at Solon on Wednesday.

A game-winning goal by Ava Patti in the 78th minute vaulted the Pirates ahead of the Comets. The road victory keeps the fifth-ranked team in the state (DII Ohio Scholastic Soccer Coaches Association) unbeaten on the year. The Pirates (8-0-2) have won five straight matches, and the marker Solon netted Wednesday is the lone goal River has allowed in that streak.

Rocky River struck first Wednesday when Keira Vesey netted her fifth goal of the season on a penalty kick in the 32nd minute. Solon countered with a free-kick netfinder in the 39th minute.

The contest remained knotted at one-a-side until Patti's goal -- assisted by Addie Harris -- in the 78th minute. Harris' assist marked her team-leading

fifth of the season.

## Unbeaten streak rolls to 11 with 6-0 home win

ROCKY RIVER, Ohio -- A four-goal outburst by freshman Ava Patti paced the Pirates, as Rocky River remained unbeaten on the season with a 6-0 victory over the Laurel Gators on Friday.

The Pirates (9-0-2) got four goals from Patti and two from junior Taylor Byall in a Rocky River Stadium contest that marked River's eighth clean sheet of the season. No. 5 (DII Ohio Scholastic Soccer Coaches Association) Rocky River has now won six straight matches. Over that stretch, the Double-R has outscored foes, 15-1.

On Friday, River assists were logged by Addie Harris, Mia Kelly, Sophia Murray, and Maya Patti (three). With her quartet of scores in the match, Ava Patti now has a team-high 11 goals on the season.

Senior goalkeeper Sabrina Rick was unbothered in posting the 20th

shutout of her career.

The Pirates' 11-game unbeaten streak is tied for the program's fifth-longest in its history. The Maroon & White will put that streak on the line with another home game on Saturday. ## River pulls rank: Pirates conquer Watterson, 1-0

ROCKY RIVER, Ohio -- In a battle of state-ranked teams playing top-shelf soccer, Rocky River defeated Columbus Watterson, 1-0, on Saturday afternoon.

A first-half goal by senior Keira Vesey, a pair of key saves by senior goalkeeper Sabrina Rick, and tremendous defense and ball skills throughout spelled the Pirate victory against the fifth-ranked (DI Ohio Scholastic Soccer Coaches Association) Eagles. With its seventh win in as many tries since Sept. 12, No. 5 (DIII OSSSCA) Rocky River remains unbeaten (10-0-2) on the season.

Sophomore Cara McKenna was taken down just outside the box in the 14th minute of the contest, setting up the powerful right leg of Vesey. The veteran standout lined up a 25-yard free kick with an opportunity to net her sixth goal of the season and one of the biggest of her career. A three-man

wall fronted the net 15 yards in front of the Eagle 'keeper. Vesey rifled a shot through that wall -- over the top edge of the human barrier, like a wicked haircut. The right-to-left bender found its way past the diving effort of the Bishop Watterson cage-minder and into the nylon netting on the left side of the goal.

That shot was one of a combined 15 on frame in the match -- eight for Rocky River and seven for Watterson. Each goalkeeper made seven saves in the ranked-versus-ranked Buckeye State battle, and each would come away with a pair of highlight-reel efforts in defending the 192 square feet they were tasked with protecting. One of those two for Rick came on a monster effort on a right-side, 30-yard whistler seemingly destined for the twine over the senior's right shoulder. But quick footwork and a sprawling dive got Rick to the ball, and the Eagle threat was diffused.

Vesey was sharp in keeping several deep Watterson (11-2) possessions from even getting to Rick. Her athletic and heady play helped parry away those looks before they developed in high-danger shot attempts. And ultimately, she would be instrumental in defending the lone score for which she was responsible.

And Vesey, Rick, and the rest of a determined Pirate crew did successfully defend that 1-0 lead for 66 minutes. After which, an energetic Pirate crowd filed out out of Rocky River Stadium likely thinking some version of, "We came, we saw. And the senior wearing No. 8 and the rest the Pirates conquered."

Veni, vidi, Vesey.

## Redmen marooned as Pirate streak continues

ROCKY RIVER, Ohio -- The unbeaten Rocky River Pirates remained just that with a 7-0 victory over the Parma Redmen on Monday night.

Rocky River (11-0-2, 6-0-1 Great Lakes Conference) posted its highest single-match goal total since Aug. 31 (nine vs. Fairview). The win at Rocky River Stadium extended River's 2020 home mark to 7-0-1. Overall, the fourth-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates are now 8-0 since Sept. 12.

On Monday against Parma, the Pirates struck early and never looked back. River scored its first goal 43 seconds into the match.

Filing figures in the stat sheet (unofficial) were Ava Patti (two goals, assist), Maya Patti (goal, assist), Mackenzie Russell (two assists), Taylor Byall (goal), Bella Compton (goal), Madeline Lundin (goal), Keira Vesey

(assist), Cecilia Wischmeier (assist), Sophia Murray (goal), and Bella Hunt (assist).

Monday's action continued what has been a one-sided series since Rocky River and Parma became GLC combatants in 2015. Since that inaugural year for the circuit, the Pirates are 6-0 against the Redmen, and River has outscored Parma, 40-1.

With the 7-0 victory, Rocky River has now logged 10 shutouts this season.

The Maroon & White are scheduled to play at home again on Wednesday when they host Holy Name (6 p.m. kickoff).

### CANNON FIRE ...

**SUNNY SIDE OF THE STREAK:** The Pirates' 13-match unbeaten streak is the tied (2011) for the fourth-longest in program history. As a season-opening streak, the run is tied for second (2011).

**MYA-LSTONES:** Maya Patti's goal -- assisted by younger sister Ava -- marked the 40th of her career. She passed Emily Soltes (2012-15) and moved into seventh place of the program's all-time scoring list. With her three points, Maya Patti ups her career total to 104, moving past Olivia McDonald (2014-17) on River's all-time points list.

## Defense stands out in Pirate victory over Holy Name

ROCKY RIVER, Ohio -- Rocky River banged out an 8-1 victory over Holy Name in Great Lakes action on Wednesday night. On what was a warm October evening at Rocky River Stadium -- and with all due respect to a Pirate offense in sync and frequently finding the back of the net -- it was perhaps the River defense generating the heat in this one.

Green Wave midfielders had to be feeling the heat on nearly every outlet pass from their defenders. And any visiting whites within 15 yards of the midfield stripe was jockeyed, jostled, stripped, outraced, and otherwise pressured. On every play. Relentlessly. Blanketed by a swashbuckling Pirate defense.

And stitching together the blanket while Rocky River (12-0-2, 7-0-1 GLC) piled on goals downfield were Mia Kelly, Cara McKenna, Keira Vesy, and Cecelia Wischmeier among others. Thwarting outlet passes -- intercepting

them, forcing Green Wave forwards into support help, cutting off rushes upfield. And all mostly some 70 yards in front of River 'keeper Sabrina Rick.

The fourth-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates would outshoot the Green Wave, 21-4, in the opening half. Five of those 21 River shots found nylon. And more than a couple of those were on plays that started, unsurprisingly, on steals and feeds from the aforementioned Department of Defense. Kelly was sharp in setting up multiple quality looks from her position on the high right flank. She would log her second assist of the season on a Rocky River goal in the second half. McKenna had a near-miss on a shot in the 30th minute of the match. Vesy's work on the evening included her seventh goal of the season; she scored on a 25-yard free kick in the 37th minute.

When Holy Name did manage counterstrikes, Pirate defenders were adept at steering plays away from the box. Rick would make four saves on the night. River defenders would save twice as many by turning would-be scoring opportunities into harmless throw-ins from the sidelines.

Rocky River outscored Holy Name, 5-0, in the opening half. The second stanza was a three-for-one exchange, with the Green Wave landing their only goal of the contest in the 67th minute. The Pirates' eight goals for the match marked the team's most in a single game since Aug. 31 (9-0 win over Fairview). The Maroon & White have now scored 22 goals over their last four games. All four of those games were River wins as were the five that preceded them. And that nine-game win streak is part of a season-long 14-game unbeaten streak.

On Wednesday, the Patti sisters stuffed the stat sheet with a combined four goals and three assists. Maya Patti clocked a pair of goals and two assists. Ava Patti registered two goals and one assist. Mackenzie Russell logged two assists.

Russell has registered four assists over River's last two games. Fellow freshman Ava Patti has scored four goals over the same stretch and now has a team-high 15 on the season. Keira Vesy has scored in three straight matches.

In the 27th minute, Sophia Murray scored a goal from the doorstep -- corralling a loose ball in traffic and ticking it into the net after a corner kick had been deflected, batted, and booted in a tangle in front of the Holy Name net. That early goal would be the game-winner on the evening.

Because the Pirate defense was just that good.

### CANNON FIRE ...

**FIGHTING BACK:** After losing 5-of-6 to the Green Wave from Oct. 26, 2015-Sept. 26, 2018, Rocky River has now beaten Holy Name in three straight matches over 2019-20. A year ago the Pirates defeated the Green Wave, 1-0, in the regular season (Sept. 14) and 8-0 in a district tournament semifinal game (Oct. 21).

**ANATOMY OF A WIN STREAK:** In their nine-match win streak, the Pirates have outscored foes, 35-2. Five of the nine victories have come at Rocky River Stadium; the Pirates are now 8-0-1 at home on the season.

**NET EFFECT:** The Pirates have scored 51 goals in 14 games. Their 3.64-goal-per-game average is a would-be seventh-best mark in program history. Rocky River has yielded just six goals. The Pirates' 0.43 goals-against average is a would-be program record.

## Pirates tame Tigers, 2-0

ROCKY RIVER, Ohio -- A Monday night futbol classic. In a late-season battle of ranked-versus-ranked, the Rocky River Pirates turned in a masterful performance as they defeated the Chagrin Falls Tigers, 2-0.

A Bella Crompton first-half goal and a Taylor Byall effort in the second were the tallies of record in the non-conference tilt between No. 3 (DII Ohio Scholastic Soccer Coaches Association) Rocky River and No. 13 Chagrin Falls. For the Tigers, the twin netfinders marked the first they've allowed in a while: Chagrin Falls went into Monday's game off four straight shutout wins.

The match was marked by strong Pirate passing and focused, patient possessions. And with that, the River season continues to be marked by an unbeaten streak, one that has now reached 15 games.

Rocky River (13-0-2) struck in the 25th minute, on a ball corralled near the short right corner by junior Sophia Murray, who deftly directed a pass to the low slot. Sophomore Bella Crompton pounced, whizzing an 8-yarder into the left side of the goal. The River goal -- Crompton's third of the season -- came after sustained pressure over the middle minutes of the first half. The likes of Taylor Byall, Cara McKenna, and Ava Patti were persistent thorns in the Tigers' paws over that time. It was a stretch that seemed to tire the visitors. Crompton was also part of that surge; she nearly scored on a hard 25-yarder in the 24th minute.

The first half played out with one-sided field tilt. Rocky River took 16 shots, putting six on frame. Chagrin Falls managed just two shots -- one on and one off; they were separated by 30 minutes of game clock.

Playing downwind and with determination and a fast set of forwards, the Tigers (11-3-1) pushed back in the second half. Fleet feet got behind the Rocky River defense multiple times. Chagrin Falls was at its most dangerous over a five-minute stretch beginning in the 49th minute of the match. Senior goalkeeper Sabrina Rick made five saves over that span, and two came with a high degree of difficulty. Rick would post her 11th clean sheet of the season with a total of eight saves on the evening.

Senior forward Maya Patti helped steer the action back to more plays for Rick's opposite, Aerin Krebs. Patti's physical presence created several opportunities for the River attack late in the game. Those opportunities paid off in the 77th minute when she wheeled a pass to the left side that Taylor Byall nodded to the turf and then booted into the net for her seventh goal of the season.

In and around that second goal and throughout the night, Cara McKenna was invariably near the ball in diffusing plays over the middle 40 yards of turf. If a play got deep, Keira Vesey did likewise on the back line. Up and down the field all around those two was a network of tic-tac-toe passes. Passes that ran the Tigers ragged. And ran River's win streak to 10 games.

Over those 10 straight wins, the Pirates have now outscored foes, 37-2.

On an autumn evening fit for someone inclined to paint such things, Monday's late-season fray between the Pirates and Tigers was a mix of deep maroons and bright oranges fighting for the spoils on a field of green and under gold skies turned dark. The color bursting forth at the end was all-maroon. Bold and vibrant.

### CANNON FIRE ...

**FINAL NUMBERS:** Rocky River finished the match with 25 shots to Chagrin's 10. The Pirates put eight shots on goal; Aerin Krebs registered six saves for the Tigers. The Pirates took five corner kicks to the Tigers' two.

**ACCESS DENIED:** With her 11th shutout of the 2020 season, Sabrina Rick now has 23 for her career. That total ties her with Sara Connelly (2012-13) for third-place on River career shutout list.

**STREAK SENSE:** Rocky River's 15-match unbeaten streak is the third-longest in program history. The Maroon & White pulled off streaks of 16 in 2010 and 23 in 2013. ... The Pirates are now 9-0-1 at home this season. River is 13-0-1 over its last 14 games on Detroit Road.

**SENSATIONAL SERIES:** Monday's match continued what has been a solid set of games between River and Chagrin Falls in recent years. Since 2015, the Pirates and Tigers have met six times. Rocky River is 3-2-1 over those games, with nine goals to the Tigers' six.

## Pirates clinch share of circuit crown, cap off unbeaten regular season

PARMA, Ohio -- Rocky River closed out an unbeaten regular season slate with a 9-0 win at Normandy on Wednesday evening.

The Pirates earned a share of their third straight Great Lakes Conference title in the process. River and Buckeye -- foes that played to a 2-2 draw on Sept. 9 -- both finished the 2020 GLC campaign with 8-0-1 marks.

On Wednesday, Rocky River (14-0-2, 8-0-1 GLC) got goals from eight different players in winning its 11th straight match since the tie at Buckeye. That streak is now tied with 11-game runs in 2010 and again in 2011 as the second-longest in program history (2013: 16 consecutive victories from Sept. 7-Nov. 8).

Pirate goals were scored by Maeve Kelly (two), Bella Crompton, Maya Patti, Ava Blair, Maeve McKeown, Addie Harris, Cara McKenna, and Chloe

Eberlein. Kelly, Blair, and Harris also logged assists in the on-sided affair. Also chipping in with assists were Taylor Byall (two), Mackenzie Russell (two), and Keira Vesey. River scored six goals in the first half and three in the second. The nine markers for the match tied a season-high (Aug. 31 vs. Fairview).

The rout of Normandy (3-13, 0-9 GLC) at Byers Field also marked the Pirates' 12th shutout of the season. Senior cage-keeper Sabrina Rick has been in on the decision in all 11; on Wednesday, Rick passed Sara Connelly (2012-13) and moved into third-place on River's career shut-outs list. Rick has submitted 24 clean sheets over her career for the Maroon & White. In 2020, she is part of a Pirate defensive effort that made it through 16 regular season matches allowing just six goals.

And now, a remarkable regular season gets celebrated. And rightfully so. The eighth conference title in program history is hoisted by a deep and talented Rocky River team. And soon that celebration will melt into preparation for postseason play. Rocky River will host a DII Northeast District Tournament game on Oct. 22 (vs. the winner of a Monday Beaumont/Brookside match).

The Pirates close out the regular season with a No. 3 ranking in the DII Ohio Scholastic Soccer Coaches Association Poll. Their potential match dates in the district bracket include Oct. 26 and Oct. 29.

### CANNON FIRE ...

**MOVING UP:** Senior Maya Patti's Wednesday goal marked her seventh of the season and the 43rd of her career. That vaults Patti past Olivia McDonald (2014-17) and into sole possession of sixth place on Rocky River's all-time scoring list. The Pirates' record for career goals is 82, a mark co-held by Grace Bennett (2010-13) and Abby Elinsky (2011-13).

**CONFERENCE CALL:** Prior to earning its three GLC championships, Rocky River Girls' Soccer also registered five titles in the West Shore Conference (2008, 2010, 2011, 2013, 2014).

On Thursday night against Beaumont (4-13), the third-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates opened the game with 15 minutes of consistent possession time but connections were perhaps a

beat slow or a couple degrees off target. River broke through with a nifty Ava Patti goal in the 16th minute. A spin move 15 yards out put the Pirate freshman in position to whip a shot past the Blue Streak keeper and into the net. Rocky River's next goal also involved Patti, and it came one minute later.

In the 17th minute, Patti settled down a tipped pass from Mackenzie Russell and then threaded a pass to Cara McKenna who banged home her fourth goal of the season. The Pirates added one more goal -- an Ava Patti marker in the 25th minute -- before heading into the second half.

Sophia Murray's fourth of the season -- on a well-placed 15-yarder in the 42nd minute -- upped the River lead to 4-0. Rayna Kishna cleaned up loose change on the doorstep in the 78th minute to close out the scoring for the match.

## Unbeaten River conquers Fighting Irish, 8-0

ROCKY RIVER, Ohio – Thirty-two teams remain standing in the 2020 Ohio DII Girls' Soccer Tournament. Courtesy an 8-0 victory over St. Vincent-St. Mary on Monday, the Rocky River Pirates are one of them.

The Pirates (16-0-2) got four goals from Ava Patti, two from Taylor Byall, and one each from Mackenzie Russell and Ava Blair in remaining unbeaten on the season. The Maroon & White advance in [their section of the Northeast Ohio District brackets](#) and have earned another home date on Detroit Road. Top-seeded Rocky River will host district No. 7 Norwayne or No. 11 Copley on Wednesday (6 p.m. kickoff).

River's 13<sup>th</sup> consecutive victory was built on tremendous touch control, sharp passing, and 10 maroon shirts in on developing pressure at the offensive end. That pressure was a near-constant distraction for an exhausted Fighting Irish team unable to mount any quality attacks at the

other end of the field. SVSM didn't log its first shot until the 36<sup>th</sup> minute of the match, and for the game, the Pirates outshot the Irish, 30-4.

On a cool, misty night at Rocky River Stadium, the Pirates scored five goals in the opening half and three in the second. A health dose of substituting netted valuable and productive play for River's backup players.

Third-ranked (DII Ohio Scholastic Soccer Coaches Association) Rocky River upped its home record to 11-0-1. The Detroit Road Buccaneers are 14-0-1 over their last 15 games at home. With Monday's, 8-0 triumph, 10 of those 11 home wins have been clean sheets for senior goalkeeper Sabrina Rick (two saves) and the Pirate defense. River has now won 14 games via shut outs in 2020; that ties the single-season program record set by the 2013 state-championship team.

That 2013 squad made the ultimate team statement on Nov. 8, 2013, in a title win over Granville. The 2020 edition of Rocky River Girls' Soccer is perhaps building toward its own shot at Buckeye State glory. Early returns were impressive, and now the campaign heads toward Halloween.

Still with efforts 11-deep between the lines and deeper yet with the Bucs from the bench. And still without a setback.

### CANNON FIRE ...

**PASSING FANCY:** Logging assists Monday night were Sophia Murray, Cara McKenna, Taylor Byall, Maya Patti, and Madeline Lundin. Maya Patti and Mackenzie Russell were in on more than a few plays in effectively setting up the River offense 30-to-40 yards out. On top of them were Keira Vesy, Cecelia Wischmeier, and Mia Kelly; all three were productive in killing any Irish moves out of the zone and in finding open teammates to quickly transition the Pirates back to offense.

**PIRATE PLAYTIME:** With Monday's win over St. Vincent-St. Mary, Rocky River is now 5-1 over its last six playoff matches. Those half-dozen contests have been logged over the last two Octobers. The 2019 Pirates advanced to the semifinals of the North Regional before being ousted by Mansfield Madison. ... Since 2010, Rocky River is 31-9 (.775) in postseason play.

**NET GAINS:** With their eight scores against SVSM, the Pirates have now netted 75 goals on the season. That total surpasses the 69 twine-finders River scored in a 20-game season a year ago, and it's the most the Pirates have scored in a single season since 2013 (128 goals in 23 games).

## 2-1 victory nets district title for Double-R

ROCKY RIVER, Ohio – The Pirates are still undefeated, and they are undefeated now where it matters most – in Ohio's DII state tournament brackets where one loss doesn't merely end a streak, it ends a season. Rocky River's remarkable 2020 season now continues into regional tournament play, because on Thursday evening at Rocky River Stadium, the Pirates defeated the Copley Indians, 2-1, to earn a district title.

The fifth district crown in program history was earned in a taut, well-played contest between two foes battling in a light drizzle throughout. Rocky River (17-0-2) scored its first goal in the fourth minute after a series of right-side throw-ins led to a quick pass-and-shoot on the doorstep in front of the Copley goal. Ava Patti scored the goal with Maya Patti providing the assist, and Rocky River had itself an early lead.

The goal was part of a 10-minute stretch that saw good Pirate pressure. The middle minutes of the opening half were a more even exchange around the middle 40 yards, and center back Keira Vesey came up with a couple big plays snuffing out Indians opportunities before they could develop into something dangerous. Copley didn't get off its first shot of the match until the 21<sup>st</sup> minute. Playing into the wind, the Indians would go into halftime with just the one attempt and with Rocky River leading, 1-0.

Goal No. 2 for Rocky River came on the first shot of the second half. Ava Patti took a pass from the left flank, dribbled the ball once to set up an angle, and put a well-placed 17-yarder into the right side of the net. The pass from the left side came from Mackenzie Russell, who with the assist has now logged a point in four straight games. Russell made artful plays throughout, helping the Pirates maintain significant possession time. Patti's goal marked here eighth of these playoffs, and it lifted the Double-R to a 2-0 lead.

The Indians countered with a hard-working netfinder in the 56<sup>th</sup> minute. A sharp-angle pass from Ashley Kerekes found Kami Ayoup in traffic and near River 'keeper Sabrina Rick. Ayoup was first to the ball, hammering in a quick shot to cut the Copley deficit to one (2-1). Sharp, spirited play – led by Taylor Byall up front and Cara McKenna at midfield – was River's response. And the response was impressive. Copley didn't register another shot for 17 minutes. Byall and McKenna were in on a slew of touches preserving possessions for the home side and denying them for the visitors. The touches and plays were athletic, creative, and – most of all – productive.

After Copley (6-6-4) misfired on a shot in the 73<sup>rd</sup> minute, only three more shot would be taken the rest of the way. Two of those would be taken by the Pirates some 100 yards north of the precious goal they were defending. Those two efforts – and the one by the Indians – would be harmless misfires. Off frame. And most importantly for Rocky River – off the scoreboard.

By game's end on a night that saw the Pirates outshoot the Indians, 18-5, the lights on that scoreboard spelled out something that has become familiar in the Pirate Country on the south shore of Lake Erie – something familiar but fought for: another River victory.

### CANNON FIRE ...

Rocky River girls soccer team can be bent, ever so slightly. Visiting Copley proved that in the second half of a Division II, Northeast 4 district championship game last Thursday night.

But to break these Pirates? Good luck. No one on their 2020 schedule has been able to figure that one out yet.

Freshman forward Ava Patti scored two goals—one early in each half—and the top-seeded Pirates held on for a 2-1 victory over the 11th-seeded Indians, the team's second consecutive district title.

"(Copley) was an 11-seed, but there's no way they were an 11-seed, and we knew that going into tonight. They play a very challenging schedule," Pirates coach Patrick Hopkins said. "We knew what we were facing, so it was a good win."

The Pirates remained unbeaten for the season (17-0-2), and went on to host Northeast 2 district champion Chesterland West Geauga (15-3) on Tuesday in a regional semifinal. Results were unavailable at press time.

On the way to the regional round, the Pirates outshot the Indians (6-6-4) 8-1 in attempts on-target, and were able to maintain their lead thanks to defensive quickness and an ability to snuff out attacks before they could materialize. The Indians attempted four total shots in the game, three in the second half.

Ava Patti put the Pirates up for good in the fourth minute when she handled a cross in the box from her older sister, Maya, and sent a shot past Copley goalie Michele Hofacker (six saves). She struck again in the 43rd minute off of a Mackenzie Russell assist, putting her team ahead 2-0.

"(On the first goal) Maya crossed it over to me, and the defender kind of caught it at first, but it came down and I just kicked it and it went in," Ava Patti said. "On the second one, I don't even remember what happened. I just did a move, shot it with my left foot and it went in. I had no idea it was going to go in. I just shot it to kind of get rid of the ball."

Business picked up in the 56th minute when Kami Ayoup tapped in a goal past Pirates keeper Sabrina Rick (0 saves), cutting the lead in half and knocking the undefeated hosts off-kilter. In the 71st minute, a dangerous Copley cross streaked across the Rocky River box but no one was there to attempt a shot.

Ayoup's goal was the first allowed by the Pirates in tournament play, and the first allowed since an 8-1 win over Holy Name on Oct. 7.

"This was the first goal scored against us in so long that I think we were flustered after it happened," Maya Patti, a senior, said. "But I think we came back and showed we could continue playing strong."

The Pirates held firm the rest of the way and were able to celebrate another trip to regionals.

"The one thing about this team is that they're happy," Hopkins said. "They're responding and they're happy. They want to be here every single day, and that makes me want to be here every day. That's what I love about this team. And when it's time to play, they play."

### Eagles on to regional

Senior midfielder MacKenzie Muir scored in the 10th minute, and the sixth-seeded Avon girls soccer team held off third-seeded host Medina (14-3-2), 1-0, in a Division I, Northeast 5 district championship match last Thursday.

## Pirates tame Wolverines, advance in bracket action

CHESTERLAND, Ohio – Tremendous team play and dominant defense, along with four *almost*-unanswered twine-finders, have the Rocky River Pirates advancing to a region final in the 2020 DII Ohio Tournament. The Maroon & White earned their 15<sup>th</sup> consecutive victory in decisive fashion, soundly defeating a West Geauga Wolverines squad which had yielded only eight goals over its previous 18 matches. The Pirates beat the Wolverines, 4-1.

Freshman Ava Patti netted her ninth and 10<sup>th</sup> goals of the 2020 postseason, scores that amounted to nails in a coffin otherwise fashioned with goals from Taylor Byall and Keira Vesy and with a big performance from Maya Patti and the River defense. And now, unbeaten Rocky River (18-0-2) moves on in the [DII Region 5 bracket](#): the Pirates will take on Revere in the regional final on Saturday (kickoff at noon, venue TBD).

The third-ranked (DII Ohio Scholastic Soccer Coaches Association) Pirates weathered a good bit of Wolverine pressure early and then countered with the opening score of the match in the sixth minute. River's first goal was tallied by Taylor Byall who finished on a beautiful cross from Maya Patti.

The middle minutes of the first half were an even exchange, and both teams had multiple scoring opportunities. But Byall's goal – her third of the postseason – remained the lone score of the half until the 38<sup>th</sup> minute when Keira Vesy fired a sharp-angle dart inside the far post on a 22-yard free kick. With Vesy's goal, Rocky River went into halftime leading, 2-0.

An Ava Patti goal – on a put back of her own shot which was initially saved by the West Geauga goalkeeper – extended the Pirate lead to 3-0 in the 48<sup>th</sup> minute. The freshman standout would score again in the 54<sup>th</sup> minute to lift the Maroon & White to a 4-0 lead. A tremendous hustle play by Sophia Murray ignited that opportunity. Maya Patti reeled in her second assist on the night on what marked her younger sister's 25<sup>th</sup> goal of the season and her 10<sup>th</sup> of these playoffs.

Swarming defense, with passing lanes stifled, would get River most of the way home from there. A would-be 15<sup>th</sup> shutout of the season was snuffed out with a Wolverines goal just eight seconds before time ran out.

The Rocky River offense managed its four goals against a West Geauga (15-4) team which went into the contest having won seven straight games. The Wolverines outscored foes, 42-1, over that win streak, and West Geauga had won 30 of its last 36 games dating back to last season.

With her two assists, senior Maya Patti moved past Ashley Rucker (class of 2007) and into sole possession of fifth place of River's all-time scoring list. Through Tuesday's win, Patti has registered 119 points (43 goals, 33 assists) in her Pirate career.

Impressive stuff for these Pirates on what was a tremendous Tuesday for the Double-R. And Rocky River's marvelous campaign now continues.

## West Geauga girls soccer: Wolverines ousted by Rocky River in regional semifinal

By Daniel Sherriff Sports@News-Herald.com @NHPreps on Twitter  
Nov 3, 2020

The West Geauga Wolverines' postseason run came to an end on Nov. 3 as the Rocky River Pirates came to town and smothered West Geauga with their stout defense in a 4-1 victory in a Division II regional semifinals.

The Pirates will play Revere in a regional final on Nov. 7 at noon.

It was a tough way for West Geauga's season to end. The Wolverines (15-4-0) had high hopes of making a deep run after knocking off the top-seeded Streetsboro in the district final.

"These girls definitely came out and won districts by a long shot," said Wolverines' head coach Kori Jesenovic, "It goes to say a lot for the competition and pretty much the way they played all season long. Coming and playing against a good team like Rocky River, we wish the best of them as they move forward. But my biggest thing is that these seniors really took our team to a whole new level this year and have done something they haven't done in a minimum of 10 years."

The Pirates (18-0-2) took the momentum in the opening minutes as junior Taylor Byall scored a goal after catching a deflection off West Geauga's goalkeeper in the fourth minute of the game. The Wolverines kept the Pirates' offense at bay throughout the rest of the first half until a West Geauga foul set up Rocky River with a free kick.

Senior Keira Vessy drilled the ball into the net in the 37th minute to put the Pirates up 2-0 at halftime.

“Getting that goal just before the end of the half was huge. It’s the greatest goal to get before half. But it’s also the scariest goal to get because usually the third goal wins the game,” said Rocky River Head Coach Pat Hopkins.

The Pirates ended up scoring the third goal as freshman Ana Patti broke away downfield. Her first shot at the goal was deflected by the Wolverines’ goalie but Patti followed up with the deflection to score inside the 47th minute and put Rocky River in the driver’s seat. Patti led Rocky River with two goals scored and senior goalie Sabrina Rick held down the net with five saves.

The Pirates’ victory kept their magical season alive. Rocky River entered the game having 14 consecutive wins under its belt. Aside from keeping the streak alive, the Pirates were also looking to put behind last season’s regional semifinal loss.

“Last year we made it to this exact point and we lost to (Mansfield) Madison,” said Byall, “So it was amazing to take it a step further. We had the best possible game we could have had today.”

## Alive and kicking! River defeats Revere, moves on to Final Four

RICHFIELD, Ohio – Rocky River's marvelous 2020 season continues. And, courtesy a sharp 2-0 win over Revere on Saturday, that season now winds its way past the regional stage in the Buckeye State brackets because the Pirates are DII Region 5 champs. [[DII Region 5 bracket](#)]

Saturday's win over the Minutemen – on two goals by freshman Ava Patti and a significant edge in shots and possession time – continues a campaign that hasn't yet witnessed a Pirate setback. Rocky River (19-0-2) now advances to a [DII Ohio Tournament](#) semifinal against Mansfield Madison. The Pirates and Rams – winners of a 3-1 region final against St. Mary's Memorial – will meet Tuesday (site TBD); the winner of that contest will play in the state championship match which is scheduled for Nov. 13 (MAPFRE Stadium—Columbus, Ohio, 4 p.m.).

But the matter of the moment on Saturday in Richfield was a battle against a good Revere team playing superb defense in the playoffs. And the Pirates were ready to shine in that moment. With two goals against a team that had yielded just one over four previous playoff tilts and a healthy dose of shutdown defense, the Maroon & White prevailed in a second straight November road test.

Rocky River got things going midway through the opening frame. Good River pressure over the middle minutes of the first half stretched the Revere (14-5-2) defense, and the Pirate attack culminated in a tremendous chance set up by Keira Vesy in the 22<sup>nd</sup> minute. A masterful Vesy through-ball threaded to Ava Patti from midfield caught the fleet-footed freshman in stride. Patti chased down the feed and beat the Revere 'keeper with a one-on-one move and a well-placed shot.

The goal was part of some significant field tilt in the first half, a period that ended with the Pirates leading, 1-0.

Early in a second half, a big chance generated by Ava and Maya Patti fell by the wayside. The Minutemen then started to gain some traction at the other end. An alert, aggressive, and athletic Pirate defense was ready.

Key plays were turned in by Vesy, Cara McKenna, and Addie Harris – among others – limiting the stress Revere would put on River goalkeeper Sabrina Rick. An intercepted pass here. A tackle there. Sharp outlets to comrades in visiting whites. Deadly counterstrikes against the host blue-and-reds.

At the end of one of Revere's surges were two magnificent scoring opportunities for Ava Patti – one set up with sensational moves through the Revere defense (67<sup>th</sup> minute); another initiated by a terrific pass by McKenna (71<sup>st</sup>). Both were thwarted with A-plus saves by the Minutemen 'keeper.

The next (and final) surge by the Minutemen was an apt one for their moniker, for it lasted no more than 60 seconds. The rest of the way – with a carom off the post on a header by Sophia Murray in the 75<sup>th</sup> minute and then a 79<sup>th</sup> minute goal by Ava Patti – was all-River.

Patti's twine-finder came on a put-back of an initial shot and save. *It marked her 12<sup>th</sup> of these playoffs.* A dynamite dozen from a talented newcomer finding her stride in the middle of a dangerous Pirate attack.

The win marked Rocky River's 16<sup>th</sup> in a row. That mark ties a program record (2013), but with all due respect to the 2013 state-title squad and the 15 other foes in the 2020 streak, it's a record that pales in importance compared to the recent win streaks attached to this run:

The one-game win streaks when anything else results in a busted bracket. Tab Saturday's win at Revere as being just such a streak – an impressive one-game win streak. One turned in by an impressive Region 5 title team.

### CANNON FIRE ...

**RANK AND FILE:** Saturday's game in Revere was a matchup of ranked soccer squads. The Pirates went into the postseason ranked No. 3 in the DII Ohio Scholastic Soccer Coaches Association poll; the Minutemen were ranked No. 11.

**NET EFFECT:** Ava Patti has now scored 27 goals in 2020. That total marks the Pirates' most in a single season since Abby Elinsky found the back of the net a program-record 43 times in 2013.

**BAGEL SHOP:** Saturday's 2-0 victory marked Rocky River's 15<sup>th</sup> shutout of the season. That's a new single-season program record, eclipsing the 14 goose eggs hoisted by River's state champion team in 2013. Goalkeeper Sabrina Rick has been in net for all 15 shutouts in 2020; she passes Sara Connelly (2013) for the corresponding individual single-season mark. Rick now has 27 shutouts in her career; only Kim Leitch (2008-11) has registered more in a Pirate uniform. Leitch logged 31 clean sheets for the Maroon & White. ... Since Oct. 12 – in two regular- and five postseason games – the Pirates have outscored their opponents, 32-2.

Ava Patti scored two goals to lead visiting Rocky River (19-0-2) to a 2-0 Division II regional final victory over Revere (14-5-2) on Saturday afternoon.

“They are a very good team and there are no real weaknesses that we found,” Revere coach Dave Howson said of Rocky River.

“I think if we are honest and we look back, we can say that the best team won and deserved to go on.”

Patti scored her first goal with 18:50 remaining in the first half and netted her second goal with 1:53 to go in the second half. Patti has 27 goals this season.

Howson said he changed Revere's formation with about 15 minutes remaining in the second half in an attempt to score, but Patti extended the Rocky River lead.

"We were in it right until the end and I felt that as the game went on, they were getting tired and we were getting stronger, but we didn't create any clear-cut chances," Howson said. "They are strong team. We gave it our best shot, but it wasn't our day."

Rocky River goalkeeper Sabrina Rick recorded her 15th shutout of the season with assistance from her defense. The Pirates postseason run also includes wins over Cleveland Heights Beaumont, St. Vincent-St. Mary, Copley and Chesterland West Geauga.

Howson said the Minutemen will bid farewell to senior starters Teagan Johnston and Taylor Kenna.

"Teagan played on the varsity team all four years," Howson said. "Taylor didn't play for us last year because she played for the Internationals Academy, but she wanted to come back her senior year.

"The work and the effort that those two have put into the program is unbelievable. I am really thankful to those two seniors that we will miss. Taylor won a district championship in each of her three seasons with us and Teagan won a district championship three out of her four years. They were a huge part of the success that we have had over the last four years."

Revere's tournament run included victories over Gates Mills Gilmour Academy, Norton, Buckeye and Chagin Falls Kenston.

Howson said the Minutemen are set to return nine starters next season: juniors Morgan Fee, Anna Clarke, Bianca Milovancev, Elise Jakab, Sophia Koutrodimos, Ruby McGrievy and Olivia Papouras and sophomores Katarina Tsarouhas and Mia Fourtounis.

Revere's top two reserves, sophomore Lily Hamblin and freshman Hailey Janke, are also slated to be back next season.

“The future is bright because we do return nine out of 11 starters,” Howson said. “Although it will be difficult to replace Teagan and Taylor, I think the foundation is there for us to be successful again next year and in future years.”

Howson said despite the setback, he, his staff and players enjoyed the sunshine on Saturday.

“If you would have told me in June, we would play 21 games, we would win the district and we would play in the regional final on the 7th of November in 70 degree weather – I probably would have had you committed to a mental institution,” Howson said.

*Regional final shutout sets new program mark*

Twenty-two minutes into her team's Division II regional final match on the sun-splashed turf of Richfield Revere's Joseph F. Pappano Stadium, Rocky River goalie Sabrina Rick had a hunch a celebration was coming.

Granted, the Pirates girls soccer team still had 58 minutes to play last Saturday afternoon against the Minutemen. But when your defensive effort all over the field is as determined as the Pirates' has been this season, confidence could be expected.

And once freshman Ava Patti's goal put the Pirates ahead 1-0 in the 22nd minute, that was all the team needed. Rick, a senior and one of the team's anchors, was right on the money.

Patti scored again late in the match, and the Pirates' 2-0 victory assured them a trip to the Division II state semifinals, which were played last Tuesday at Medina against another state power in Mansfield Madison Comprehensive (19-0-3), the Division II runner-up last season. Results were unavailable at press time.

"It's amazing," Rick said. "We grew up with the 2013 team (that won the state title). We were at every game cheering them on, so just for us to do the same, it's always been a goal of ours and we're just happy it's happening for us."

The Pirates, still unbeaten at 19-0-2, made it a point to be the aggressors all over the field, jumping Revere (14-5-2) passing lanes, controlling possession and putting increasing pressure on the hosts' back line to defend their multitude of threats.

Defensively, the Pirates held the Minutemen to two total shot attempts, neither of which were on-target. Both shots were from long distance and came 50 minutes apart.

"We defend in the back, we defend in the middle and we defend up top," Pirates coach Patrick Hopkins said. "We're a very strong defensive team, and we have this willingness to win the ball, and then when we win the ball we want to move forward."

The shutout was Rocky River's 15th of the season and broke the program's single-season record of 14, which was previously held by the 2013 state championship team.

"For us to get that record is just another reassurance of our skill and our ability to do what they did and go all the way," Rick said. "There's so much pride (in shutting teams out). It's a goal of ours just because we've played with each other for so long. Obviously, the main goal is to win,

but to (win with shutouts) is amazing.”

In the attacking third, Revere faced a barrage of Rocky River attempts, with goalie Olivia Papouras grabbing nine saves. The Pirates totaled 23 shot attempts—11 on net—and took 13 corner kicks.

Patti broke the scoreless tie in the 22nd minute when she ran ahead of the defense and sent a shot past Papouras in the box. The play was set up by a perfect through-ball from senior center back Keira Vesey that cut through several defenders in the midfield and hit Patti in stride.

After several near-goals that were saved by Papouras in the second half, Patti found the back of the net again on a second chance play in the 79th minute. An open shot was blocked by Papouras, but Patti fought off a defender for the ball, turned around and fired it by the lunging keeper for an insurmountable 2-0 lead.

It was Patti’s second multi-goal game in the last week, following her two scores in the team’s district championship win over Copley.

“I had an amazing pass from Keira in the back, and that was just an easy one because it was such a nice pass,” Patti said. “The second (goal) came on a pass from my sister (senior Maya Patti), an amazing pass and I missed the shot, but I made sure not to stop and I just kept going until I got it.”

Now that the Pirates have reached the state level, one last goal remains: to try and catch the 2013 team that finished 22-0-1 and defeated Granville 3-1 to win a state title. Regardless of where they wind up, they’ve shown that the 2020 version is a special one in its own right.

“It’s a group that set high goals, and they just keep working for them,” Hopkins said. “We’re having fun. They have fun in every moment they’re together. It doesn’t matter if it’s practice, whatever, they’re always laughing, smiling, having a great time and just enjoying this ride.”

# Madison defense needs perfect game

MEDINA - Twenty-one goals.

That is the total allowed by the Madison Rams and Rocky River Pirates, our Division II state semifinal matchup at 7 p.m. on Tuesday in Medina.

Over 43 games, the two teams have combined to allow just 21 goals while pitching 27 shutouts. Goals are going to be at a premium on Tuesday as it could literally come down to who scores just a single goal to determine who plays for a state championship.

Let's take a look at each team as well as some key players to watch for Tuesday night's matchup with this scouting report.

### Madison Rams (19-0-3)

Madison comes in having dominated every tournament game to this point, like the No.1 team in the state is supposed to. In six postseason games, the Rams have outscored their opponents 41-2 including

a 7-1 advantage during the regional tournament. They are playing their best soccer at the perfect time and after finishing as the Division II state runners-up last season, Madison set a goal of winning it all and look like a team that has that chance.

The Rams' defense has shined all season pitching 12 shutouts and allowing just 13 goals over 21 games. They may not get the headlines week in and week out, but this defense plays selflessly and that has translated into success. They will need a perfect effort against Rocky River if the Rams have any hope of playing for another state championship.

### Rocky River Pirates (19-0-2)

The Pirates come in ranked No. 3 in Division II and rightfully so with a nice 19-0-2 record. They have also dominated the postseason outscoring opponents 21-2 and allowed just one goal during their two regional games. The first tie of their season came in Game 1, a 2-2 tie with St. Jo-

seph Academy out of Cleveland and the second came in Game 5 in a 2-2 draw with Medina Buckeye. So the Pirates have rallied off 16 consecutive victories since the two ties.

The Pirates also hang their hats on the defensive side of the field with 15 shut-outs and just eight goals allowed all season long. A goal against the Pirates is already a small victory, but they seem to rebound well with a quick attack on offense.

## Players to watch

### Taylor Huff, Madison

The three-time All-American (soon to be four-time) is an absolute machine. With 31 goals and 26 assists for the year, it would be hard to find a single player in the entire state having a better year. A legit Ms. Soccer candidate and would earn my vote. She makes everyone around her better and her unselfishness is inspiring. She owns the all-time career assists record in the entire state when she very easily could have been selfish and scored those goals herself. She can take over a game in a hurry and if the Rams need a goal, she steps up in crunch time. This University of Tennessee commit is one of a kind.

### Ava Patti, Rocky River

The Pirates' leading score with 27 goals so you know she knows how to finish opportunities. She only has three assists so when she has the ball at her feet, she is looking to finish with a goal. Has the speed to get behind the line so she has to be kept in front at all times. Easier said than done.

### Nevaeh Lewis, Madison

This freshman has been a sensation all season long. One of the best finishers in the state as she always goes to the perfect spot to finish off Huff's feeds. She has 17 goals and an assist this season as her speed and awareness is well ahead of her time. Has the breakaway speed that will give defenses fits. Rarely does she ever miss a shot.

### Maya Patti, Rocky River

The facilitator of the Patti girls. Maya Patti has 16 assists compared to seven goals leading the team in assists so she is looking to set teammates up for goals more than she is looking to score them. That doesn't make her an incompetent goal scorer though so you cannot bank on her passing it every time. She can hurt

you in multiple ways and needs to be a focus on defense.

### Phyllis Stanfield, Madison

One of the most unselfish players I have ever seen. Stanfield was the Rams' second-leading scorer a year ago, but when a spot on defense opened up and Madison needed someone to step up and own the position, Stanfield took it upon herself to give up the goal-scoring and excel at goal-preventing. She is so tough on the defensive end and has the speed to keep the ball in front of her. She is also extremely strong and physical so don't expect an easy route around her without contact.

### Taylor Byall, Rocky River

The second-leading goal scorer for the Pirates with 10 goals and four assists so she gives Maya Patti two players to dish to. Like Lewis, she finds herself in the perfect position at the perfect time so if defenses lose track of her, she will make them pay. Great finisher at the net and very composed with the ball at her feet.

### Trinity Tucker, Madison

Tucker has been the staple of this defense for four years now and is a veteran on the backline. She has seen it all back there so nothing really surprises her with an offense's attack. Very strong and physical and great at clearing balls to keep the pressure off of the keeper. Tucker is also an excellent passer off of corner kicks with five assists. She can also score out of her defensive position with six goals for the season so don't expect her to not be involved if there is an open lane.

### McKenzie Russell, Rocky River

Another facilitator with 10 assists to just four goals so she gives the Pirates some great depth at the front of the net. She usually makes the extra, necessary pass to get her team on the board so while paying attention to her, you must keep an eye on those around her because she will find the open play for a much easier goal.

### Taylor Russell, Madison

The third player that makes up an amazing Rams' defense. Russell is also like Tucker as a veteran defensive player who knows all the tricks and trades of playing on the backline. Very quick to the ball and another physical player who initiates contact. Like Tucker, don't think she is just a one-way player. She has two goals and two assists on the year so she isn't afraid to make a long run at the goal and she can also deliver a long pass if her teammate gets behind the defense. Great eye for the game.

## Defense leads No. 1-ranked Madison's charge into Final 4

By Curt Conrad, Staff Reporter

Nov 9, 2020

Senior defender Trinity Tucker passes during the district championship game against Ontario. Madison's defense has allowed just two goals in six postseason games going into Tuesday's Division II state semifinal match against Rocky River.

**MADISON TOWNSHIP** — A familiar tournament opponent awaits Madison in the Division II state semifinals, but the 2020 Rocky River Pirates don't look quite the same as the 2019 edition.

The No. 1-ranked Rams (19-0-3) and third-ranked Pirates (19-0-2) will meet in the postseason for a second straight season, this time in the Final Four at 7 p.m. Tuesday at Medina High School's Ken Dukes Stadium. Madison blanked Rocky River 3-0 in last year's regional semifinals en route to a state runner-up finish.

Rocky River coach Patrick Hopkins welcomed a key addition this fall in freshman Ava Patti. The talented forward has 27 goals, including a pair in Rocky River's 2-0 win over Richfield Revere in the Region 5 championship match Saturday. Her 27 goals are the most in a single season since Abby Elinsky scored a program-record 43 goals during Rocky River's state championship 2013 season.

As prolific as Patti has been — she has 12 goals in five postseason games — the Pirates are in the state semifinals because of their defense. Saturday's win over Revere was Rocky River's 15th shutout, breaking the single-season record of 14 by the 2013 team.

Madison's defense has been just as stingy. The Rams have posted 12 shutouts this season, including four in six tournament games. Madison has outscored its six tournament opponents 41-2.

Senior goalkeeper Paige Eldridge came up with a pair of sensational saves late in the first half of Saturday's 3-1 win over St. Marys Memorial after the Rough Riders tied the match at 1-1. Taylor Huff scored the go-ahead goal moments after a diving Eldridge save as the Rams defended their regional title.

"We were doing really good throughout the first half, but we started to shut down after they started to pressure," said Eldridge, who has 27 saves on the season. "They had two really good shots and I had to stay composed and try to stop every ball that came to me."

The Rams, who reached the state championship match last fall, know nothing will come easy the rest of the way.

"Rocky River is really good. We know they are really good," Eldridge said. "We know what to expect from here on out. We're excited to be here again."

Taylor Huff agreed.

"It's super incredible that we've won three regionals in four years," Huff said. "I'm just so proud of us."

## End of the line: Pirates sunk in hard-fought semifinal

MEDINA, Ohio – A brilliant Rocky River Girls' Soccer season came to an end Tuesday night, as the Pirates fell to the Mansfield Madison Rams, 4-2, in a DII state semifinal.

In a battle of two top-3 teams in the DII Ohio Scholastic Soccer Coaches Association poll (the Rams ranked first and the Pirates ranked third), Madison battled back from a 2-0 deficit to win in come-from-behind fashion. Senior Taylor Huff scored three goals for the Rams, who now advance to the title match in the [DII Ohio Tournament](#).

For Rocky River, the loss puts an end to a remarkable 21-game unbeaten streak, one that included 16 straight victories from Sept. 12-Nov. 9. And in bittersweet fashion, it's a bookend loss: prior to Tuesday's setback, Rocky River's last loss had been in a playoff regional semifinal on Oct. 29, 2019 – to the Madison Rams.

Rocky River (19-1-2) struck for two quick goals to take an early 2-0 lead in the contest. In the 14<sup>th</sup> minute, a right-side Mia Kelly throw-in was corralled by Sophia Murray who booted a long cross to Taylor Byall. The crafty junior forward settled the pass in between a pair of Madison defenders and then loosed a cannon shot toward the left side of the goal. The 20-yard effort dented twine, marking Byall's fourth goal of these playoffs.

In the 16<sup>th</sup> minute, Ava Patti and Mackenzie Russell worked a give-and-go 30 yards out, and the return feed to Patti put the freshman sensation in traffic but in range. Patti won the battle and found the back of the net on a 10-yarder.

Rocky River would dominate possession time throughout the opening half. The trade of quality looks and danger-area shots was much in the Pirates' favor, but the Rams managed to land a counterpunch on a Kari Eckenwiler goal in the 32<sup>nd</sup> minute. A high-lofted, downwind floater eluded goalkeeper Sabrina Rick and found Eckenwiler charging toward the left post; she tapped in to finish the play and cut the Rocky River lead in half.

Twelve minutes after the halftime intermission, the Rams (20-0-3) struck again. After River had trouble exiting the defensive zone on a series of right-side Madison throw-ins, the ball found Taylor Huff in the slot and Madison's leading scorer delivered. The senior rifled a 22-yarder into the left side of the net, and after 52 minutes of action, the two sides were knotted at 2-2.

The Huff score was part of an early-second-half surge for Madison. The Rams pressure had the Pirates on their heels, and Madison's long game set up problems for the River back line. That pressure fed into another Huff goal in the 69<sup>th</sup> minute and then a dagger free kick for a goal – on a 45-yarder by Huff again – in the 70<sup>th</sup>.

Four unanswered goals. Three by Huff. The temporary prize was all the momentum in the world; the more permanent spoils started to figure as march toward a game date on Friday, when the DII Ohio Championship Game is to be contested in Columbus.

The Pirates were unable to muster any significant push the rest of the way.

When disappointment melts into reflection, however, much significance will be noted by members of this 2020 Pirate team and by the Rocky River community. A season that began in a way no one ever envisioned – amid delays and uncertainty – and ended on the doorstep of state final was in between filled with tremendous moments on and off the field and in practices and games.

By a group who gave a game effort. It was a state title unattained, but a statement made nonetheless.

A lasting statement which figures to go undefeated.

# Huff scores hat trick in state semi

**Jake Furr**

Mansfield News Journal  
USA TODAY NETWORK

MEDINA - After her team went down 2-0 in Tuesday's state semifinal match with Rocky River, Madison's Taylor Huff called a quick team meeting on the field.

Whatever she said worked as the Rams score four unanswered goals to claim the 4-2 victory to advance to the Division II state championship game for the second straight season.

Being down 2-0 to a team that recorded 15 shutouts is enough to make a team panic, but the Rams kept their composure and left Medina with a state semifinal victory.

"I didn't feel the panic only because I knew we were better than how we were playing," Taylor Huff said. "After they scored their second goal, I just couldn't believe it was happening so I pulled everyone together and told them we aren't going out like this. I told them to calm down and play like we can and that worked."

The Rams took a punch on the chin with 26:35 left in the first half when Rocky River's Taylor Byall gave the Pirates a 1-0 lead. Then, Ava Patti gave the Rams a staggering uppercut with a goal two minutes later to make it 2-0 Pirates as it looked like the contest was about to turn into a blowout.

Enter Huff and that midfield meeting. The defense came to life and the offense soon followed when Kari Eckenwiler snagged the ball out of the air on a lob pass into the box by Nevaeh Lewis and sent it to the back of the net with 9:04 left in the first half for a very important goal as the Rams trailed by just one at the half.

There was a nice halftime speech to remind the 10 seniors that their season could either be over in 40 minutes, or they could step up and live to play for a state title.

"As seniors, we know this is it," Senior Trinity Tucker said. "If we lose, we are done, so we went out and left it all out on the field. We never got down on each other and kept fighting."

Senior Phyllis Stanfield reminded her teammates to stay calm as there was still plenty of time left to go win this thing.

"We didn't get down because we knew there was so much time left and so much more game to play," Stanfield

said. "We knew this could be our last game so we gave it our all."

Eckenwiler was in on that pep talk.

"We had a talk at halftime about how this could be it," Eckenwiler said. "It could be our last 40 minutes and if that is the case, we just need to go all out and that worked. We never lost faith."

Over the final 40 minutes, Taylor Huff took over. Her goal with 28:27 left in the match tied things up at two when she intercepted a pass near midfield, dribbled down to about 25 yards out and ripped a shot to the left corner of the goal.

Exactly 17 minutes later, it was Huff again as Lewis added her second assist of the night to give the Rams the 3-2 lead with 11:27 left in the match.

But nothing compared to Huff's third goal of the evening that netted her the hat trick. With 10:06 left in the match, the Rams were awarded a free kick from five yards out on the left side of the field. Huff took two steps, cocked her leg back and smoked a shot toward the goal that was perfectly placed in the upper corner for one of the most amazing high school soccer goals anyone has ever seen. It was her 133rd career goal, giving her the

Madison girls soccer program record topping Jocelyn Pelasky's 132 goals from 1993-1996.

"I had my dad in my left ear telling me to kick it to the upper 90," Taylor Huff said. "He also said to drive it so I drove it and it worked. I just struck it nice."

She struck it so nice, it found the back of the net and gave the Rams a 4-2 lead and gave Huff a hat trick in the state semifinal. Coach Zac Huff would have her take that shot 10 times out of 10.

"I am comfortable with her shooting it from anywhere," Zac Huff said.

Taylor Huff took the game over when her team needed her to the most with her hat trick in some of the best play she has turned in during her historic four-year career.

"I didn't want to go out like that so I just wanted to step up my game," Taylor Huff said. "The 10 seniors were so excited to play the second half because we didn't want this to be over and make it to the state finals."

The shot for her third goal of the night was one that showed why she is a three-time All-American and why she is headed to the University of Tennessee on a full-ride scholarship. Zac Huff just wishes she wouldn't wait so long next time.

"That is why she is what she is, she does what she does and she is going where she is going," Zac Huff said. "It spoke volumes because we have been telling her all year and especially my assistant coaches get so mad at her that she won't take over a game. We try to get her to do that in the first five minutes so we don't have to battle from behind, but that isn't her. She wants to make the game fun and interesting."

What was equally as impressive was the play of the defense in the second half. After allowing two goals in the first half, just the fourth time it has allowed two goals in a game all season, the back line pitched a second-half shutout.

"The best thing I saw was after giving up two goals, they didn't crumble like they did Saturday," Zac Huff said. "Saturday, we gave up one goal and I feel like our defense got down on themselves, but it was different and played lights out in the second half."

It was an adjustment to the midfield

that was to thank for the inspiring effort.

"We were trying to fix the midfield because it broke down quite a bit and didn't stay on their marks," Stanfield said. "We told everyone to keep an eye on the backside because they were playing it well to the back-mid and after we stayed on that assignment, they didn't score the rest of the way."

Taylor Huff agreed as she saw a complete team effort on Tuesday night.

"Our offense was so good and even our defense was lights out," Taylor Huff said. "Paige played amazing and our three backs were lights out but it was our midfield we needed to sort out a little bit after they worked through us but we battled and it worked."

In the end, it was all about how the Rams responded as a team. The defense stepped up in the second half and Taylor Huff did what an All-American is supposed to do. Senior Chesney Davis admitted all it took was for each and every player to believe in one another.

"We just helped each other and picked each other up," Davis said. "I believed in them and they believed in me and we believed in each other and that is what we needed."

Now, the No. 1 ranked Madison Rams move on to play for the Division II state championship at 4 p.m. on Friday at MAPFRE Stadium in Columbus. Their opponent is No. 2 ranked Granville, a team they tied 2-2 during the regular season.

Zac Huff admits the game will come down to two things.

"It will be all about who makes the least amount of mistakes and who can capitalize on mistakes," Zac Huff said. "Plain and simple."

The Lady Rams will play in their second consecutive state championship game after coming away with the runner-up trophy last season.

## Taylor "Hat Trick" Huff leads Madison past Rocky River

MEDINA — If Madison coach Zac Huff has one complaint about his daughter, Taylor, it's that the senior All-American is sometimes too unselfish.

A pass-first midfielder and the state's career assists leader, Huff took matters into her own hands on an unseasonably mild Tuesday evening at Ken Dukes Stadium.

The University of Tennessee-bound Huff scored three second-half goals, including an impossible 45-yarder on a free kick with 10:08 remaining, as the Rams rallied for a 4-2 win over Rocky River in the Division II state semifinals.

Madison (20-0-3) will play Granville (19-0-2) for the state title at 4 p.m. Friday at MAPFRE Stadium in Columbus. Granville outlasted Monroe 3-2 in overtime in Tuesday's other semifinal match in Xenia.

Madison trailed 2-0 less than 16 minutes into the match and 2-1 at halftime before Huff took charge. Her first goal came after she stole an errant Rocky River pass, took a couple of touches and unloaded a right-footed shot to the lower left corner of the goal from about 27 yards away to tie the score at 2-2 with 28:27 remaining in the second half.

Huff teamed with freshman sensation Nevaeh Lewis to give Madison a 3-2 lead with 11:27 remaining. Trinity Tucker triggered the sequence when she lofted a pass to Lewis, who controlled the ball and allowed Huff to join the attack along the left flank. Lewis sent a pass to Huff, who rocketed a left-footed shot past a diving Rocky River goalkeeper Sabrina Rick and into the upper right corner.

Less than 90 seconds later, Huff scored perhaps the greatest goal in her remarkable career. Lewis was taken down from behind outside of the hash marks some 45 yards from the goal. Huff took the free kick and somehow squeezed a shot over the outstretched arms of Rick and inside the back post for a 4-2 lead.

"I've had goals like that, but I don't think that far out," said Huff, who now has 133 career goals to go with a state-record 92 assists. "I had my dad on my left ... and he said drive it and I just struck it."

The improbable goal put an exclamation point on what was a virtuoso performance by the Ohio Ms. Soccer candidate. Even her father was impressed.

"I've told her over and over she has to take over. In fact, I texted her today and told her she would have to score three goals if she planned on winning today and that's what happened," said Zac Huff, who will lead Madison to the state final for a second straight year. "That's why she is what she is."

Early on it looked like Rocky River (19-1-2) would bring an end to Madison's sensational season. Junior midfielder and captain Taylor Byall scored in the 14th minute to give the Pirates a 1-0. Two minutes later, freshman sensation Ava Patti scored her 28th goal of the season for a 2-0 lead with 24:27 remaining in the first half.

That's when the Rams circled the wagons.

"After the second goal ... I just brought everyone in and was like, 'This isn't how we play. We're not going out like this,' " Huff said. "I knew we were better than how we were playing."

The Rams finally got on scoreboard the when Lewis lofted a ball toward the back post, where Kari Eckenwiler knocked it in with her left foot with 9:04 remaining before halftime. Eckenwiler's goal — her 12th of the season — allowed the Rams to settle down before the break.

"We were panicking so much. We weren't finding feet and we were kicking the ball," Taylor Huff said. "It wasn't our style."

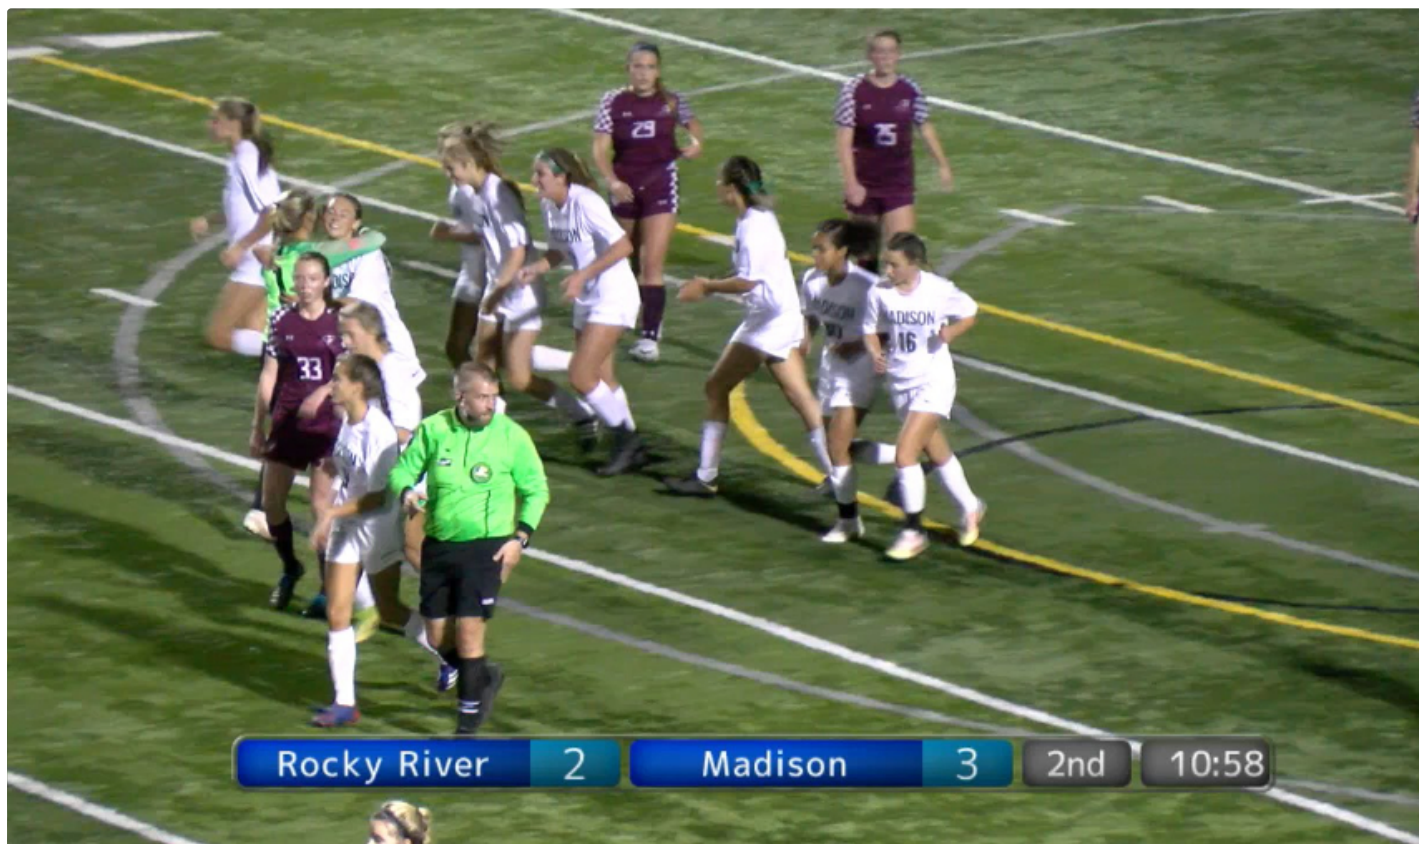

Before Tuesday, Rocky River hadn't allowed more than two goals in a match all season. The Pirates had a program record 15 shutouts on the season.

"If you would have asked what the score would be, I wouldn't have said we would score four goals," Taylor Huff said. "I'm just so proud of us."

**MEDINA, OH** - Top-ranked Madison Lady Rams come from behind to storm past the 3rd-ranked Rocky River Lady Pirates into the 2020 Division II State Final 4-2 on Tuesday night. The Lady Rams will head back to MAPFRE Stadium for a second chance at winning the state title.

Third-ranked Rocky River would control most of the possession for the first ten minutes of the game with stifling on-ball pressure.

The on-ball pressure would be rewarded when the Lady Pirates Taylor Tall fires a shot past Madison's Paige Eldridge to give Rocky River an early 1-0 lead.

Minutes later Avai Patti gives Rocky River a stunning 2-0 lead with a little over 24 minutes to play in the first half.

Rocky River would control things for most of the first half as Madison did not have a lot of chances.

Madison's Naveah Lewis sends a beautiful lob pass to Kari Eckenweiler and she taps it in to cut the deficit to 2-1 at halftime.

All-American Taylor Huff sends a rocket past the keeper to tie things up at 2 goals apiece with less than 30 minutes to go in the match.

Huff would take a great feed from Lewis to give the Lady Rams their first lead of the match with under 12 minutes to play. The Lady Rams had been trailing for most of the match before scoring three unanswered goals to take a 3-2 advantage over the 3rd-ranked Lady Pirates.

Huff would take a free-kick from the 30-yard line and give the Lady Rams a stunning 4-2 lead over the Lady Pirates. Huff's hat trick was the final three goals of the match and sends the Lady Rams back to the State Final for a second consecutive year.

Madison Lady Rams (20-0-3) will advance to the Division II State Final on Friday at 4 p.m. against the 2nd-ranked Granville Blue Aces at MAPFRE Stadium in Columbus. Granville and Madison tied 2-2 in a regular-season matchup earlier in the year. Rocky River ends their season at 19-1-2 after the State-Semi Final loss to Madison.

*Early sacrifices paid off in historic season*

The Rocky River girls soccer team was not going to let COVID-19 spoil its season.

The pandemic rendered standard practices to small group workouts with little to no contact during the preseason. Players had no preseason scrimmages. Instead, they used that time to condition, practice foot skills and possession. With the high school stadium closed until early August, they worked out on the fields next to it, then occasionally at a nearby park.

They made a pact that they would keep their social circle as tight as possible to prevent the spread of the virus. If they were going to play a full schedule, it would be because they did the little things on their own, like wearing masks, maintaining social distance and even skipping gatherings with other friends.

"I didn't want my last year to be cut short," senior midfielder and co-captain Maya Patti said. "Our team knew our potential to be amazing this year and we didn't want to not be able to prove ourselves. As the season was going on, we really were able to notice that we could go far this year."

The team went undefeated during the regular season and was one of the final four teams in the state. This year's team was attempting to become the first since 2013 to compete for a state title.

But the top-ranked Mansfield Madison Rams proved too good. Rocky River lost 4-2 in a Division II state semifinal at Medina High School on Nov. 10. The Pirates finished with a 19-1-2 record—the second-best mark in team history—and set a new school record with 15 shutouts.

"These girls had fun every single day, from Aug. 1 until now. They've had fun, laughing, joking," coach Patrick Hopkins said after the loss. "It's tough to end like this, but in a day or two we're going to realize how far we got."

This was the second consecutive year that the Pirates' season ended at the hands of the Rams, who beat them 3-0 last fall in a regional semifinal.

For 52 minutes, the Pirates played their game to near-perfection, defending the entire field and building an attack with a combination of speed and physicality. They scored two goals early in the first half that stunned the Rams, who went into halftime down 2-1.

"We came out and played really well, knocked the ball around and created opportunities and finished two of them," Hopkins said. "And then in the second half, we didn't attack as much and didn't create as many opportunities. They had one shot in the first half and it went in, and it's

just a matter of us needing to move forward, and they started attacking more in the second half and they put them in."

Madison (21-0-3) went on to win the state championship Friday, 2-1, over Granville at MAPFRE Stadium in Columbus. But the Pirates were close to changing that outcome days before.

Three-time All-American and University of Tennessee commit Taylor Huff scored three of Madison's four goals, a hat trick. The last came in the 70th minute when Huff booted a 45-yard bomb off a free kick into the upper-right corner of the net.

The goal was such a spectacular shot it made the "Top 10 Plays" highlight reel on ESPN's Snapchat channel later that night.

"Taylor's a great player, and we did a nice job with her most of the game," Hopkins said. "But we knew what she's capable of. Everyone does."

The four goals allowed were the most the Pirates had surrendered in a single game all season. In 21 prior matches, the Pirates had allowed a grand total of eight goals.

Hopkins said that when the team started practicing in August, the players decided they weren't going to be afraid of COVID, afraid of getting sick "or any of that stuff." In a program that consisted of 40 girls, there were zero COVID cases.

"We were going to take every opportunity we could to go out and play," he said. "And by doing that, it was an escape from all the craziness that's been going on this year. Whether you're in hybrid, remote or full school, these girls on the team got together and it was all about them. It was an escape from everything else."

Patti will remember how close the group became, determined to play out a season that had potential to position them as one of the best teams in the state.

"Although it sucked not being able to see my friends, limiting our social circle to only the girls on our team made us become so much better friends," she said. "This group of girls were my family and we all became sisters. This resulted in us being so compatible and working so well together on the field."

Ava Patti's goal in the first half gave her 12 for the playoffs and 27 for the season. She now ranks second for single-season goals in team history, behind the 43 scored by Abby Elinsky in 2013. Rick was in net for all 15 of the team's record-breaking shutouts, and finished her high school career with 27, just behind program leader Kim Leitch's 31 from 2008-11. Maya Patti's 17 assists tied the single-season record set by Samantha Zamirrapa in 2015.
