- Rhyming words

### Math:

- Write numbers 0-9 using a song
- Make a class Birthday graph
- Play counting games to practice counting on to the next number
- Read number books

### Science:

- Learn the four seasons of the year song
- Use pointillism, like the painter Georges Seurat, to create a 4 seasons art piece
- Observing and researching turtle eggs

### Social Studies:

- How to be a good friend

## Reminders:

- September 15: PTA's Family Picnic
- September 24: Picture Day
- Please leave the Treasure Map charts stapled to the folder
- Return Poetry Notebooks on Monday
- Please remember to read at least 10-20 minutes every night. Research shows that reading to your child every night increases their fluency, vocabulary, and comprehension skills greatly which will make them better readers.
- Try reading/listening to books on tape or CD too!
- Check out our website!

## ***Poetry Notebooks!***

Your child will be learning a poem each week. Many skills such as decoding words, sight words, fluency, vocabulary, comprehension, speaking, listening, and presenting will be practiced throughout the week.

Poetry Notebooks will be sent home on Friday.

Please have your child practice reading the poem to parents, siblings, and even pets! Please have ONE person a week sign the Lucky Listener sheet and return the Poetry Notebook on Monday!

Happy Reading!
