

Goldwood's New Playground Welcome Wall

*Your child's artwork can
add a creative touch
to the new
Goldwood Playground!*

The summer of 2014 will be a monumental time for the community of Rocky River. We are installing an amazing new playground at Goldwood Primary School, with a personalized tile Welcome Wall created by kids and families!

We are inviting you and your child to create a custom memory tile for Goldwood. This work of art will become a permanent part of our community!

How do you get involved?

1. Order your preferred tile size
2. Attend one of the tile Painting Days at Goldwood:
 - i. February 15, 1:00-3:00pm OR
 - ii. February 22, 10:00am-noon

*Join us for a fun activity for
you and your child
on a cold winter day!*

Due to the creative nature of this project, there will be a limited number of tiles available!
